

## Contents

<b>About the Faculty and Its Management</b>	... 6
Faculty Dynamics Since 2001	... 8
The Development of the Faculty in the Past 10 Years	... 10
About Our Students	... 20
Sport and Albeř	... 22
Public Relations and Publicity	... 24
<b>School of Physics</b>	... 26
Index – School of Physics-Troja	... 28
Index – School of Physics-Karlov	... 30
Astronomy and Astrophysics	... 32
Biophysics	... 34
Optoelectronics	... 36
Experiments in Physics Education	... 38
Physics for Teachers, Children, and the Public	... 40
Plasma Physics, Knowledge of the Fourth State of Matter	... 42
Physics of Surfaces, Thin Films and Nanostructures	... 44
Microstructure and Properties of Modern Materials	... 46
Quantum Phenomena in Condensed Matter Systems	... 48
Electronic Properties of Metals	... 50
Crystal and Magnetic Structure	... 52
Physics of the Earth and Planets	... 54
Chemical Physics and Quantum Chemistry	... 56
Modern Optical Spectroscopy	... 58
Nuclei and Particles	... 60
Climate, Weather and Atmospheric Physics	... 64
Theoretical Physics	... 66
Modeling in Physics and Technology	... 68

<b>The History and Prospects of the School of Computer Science</b>	... 70
Index – School of Computer Science	... 74
Combinatorics, Graph Theory	... 76
Algorithms and Optimization	... 78
Discrete and Computational Geometry	... 80
Software Components	... 82
Verifying Programs	... 84
Creating a Friendly Web	... 86
XML and Web Engineering	... 88
Service-oriented Architecture	... 90
Similarity Search	... 92
Computer Graphics	... 94
Declarative Programming	... 96
Artificial Intelligence	... 98
Linguistic Data for Language Technologies	... 100
Machine Translation – Dream and Reality	... 102
<b>School of Mathematics</b>	... 104
Index – School of Mathematics	... 106
Algebra, Logic, Cryptology	... 108
Mathematics and Descriptive Geometry Teacher Education	... 110
Mathematical Analysis and its Applications	... 112
Numerical and Computational Mathematics	... 114
Probability Theory, Mathematical Statistics	... 116
Econometrics, Financial and Insurance Mathematics	... 118
Mathematical Modeling in Physics and Engineering	... 120
Mathematical Structures – Geometrical Part	... 122
