

TABLE OF CONTENTS

INTRODUCTION.....	5
CHAPTER 1. General Overview of Marketing Information System	6
1.1. Steps in Systems Planning and Implementation	7
1.1.1 Marketing System Planning	8
1.1.2 Marketing Process Analysis	9
1.1.3 Marketing Information System Architecture Development.....	10
1.1.4 Marketing Information System Analysis and Design	10
1.1.5 Marketing Information System Building	10
1.1.6 Marketing Information System Observation.....	11
CHAPTER 2. Agricultural Marketing Information System Development and Establishment in the Republic of Moldova.....	12
2.1 Information System of Agricultural and Food Products	12
2.2 Information System of Agricultural and Food Producers	13
2.3. Conception of Completed Agricultural Marketing Information System	14
2.4 AMIS Beneficiaries and Geographical Coverage	16
2.5 Structure of the Agricultural Marketing Information System (AMIS)	17
2.5.1 Online Database in the Field of Agricultural Marketing.....	17
2.5.2 Improvement of System Applications.....	19
2.5.3 Quick Information Flow for Agro-Food Operators.....	21
2.5.4 Technology and Innovation Transfer for Rural Areas	24
2.5.5 Biweekly Market Analysis for 128 Agricultural Products.....	26
2.6 SWOT Analyses on the AMIS	28
2.7 Conclusions on the AMIS	30
2.8 Recommendations for the AMIS Further Development	30
CHAPTER 3. The case-study: Assessment of Tomato Sub-sector/Market by Using the Agricultural Marketing Information System.....	32
3.1 Data Acquisition.....	32
3.2 Tomato Market in the Republic of Moldova.....	33
3.2.1 Product Description.....	33
3.2.2 Sector Enterprises.....	35
3.2.3 Geographical Peculiarities.....	36
3.2.4 Tomato Production Process in Moldova	38
3.2.5 Standard Requirements towards Tomato Production.....	43
3.2.6 Market Trends	46
3.2.7 Market and Consumer Requirements towards Tomato Production	49
3.2.8 Tomato Consumers	53
3.2.9 Production Technologies.....	53
3.2.10 Product Characteristics.....	57
3.3 Value Chain Analysis.....	59
3.3.1 Basic Groups of Operations	59
3.3.2 Operation Description	59
3.3.3 Input Description.....	60
3.3.4 Harvesting and Post-harvest Operations	60
3.3.5 Sub-sector Actors: Small and Large Producers / Farmers	61
3.3.6 Sub-sector Actors: Exporters	61
3.3.7 Sub-sector Actors: Importers	63
3.3.8 Sub-sector Actors: Processing Enterprises.....	64
3.4 Analysis of Sub-sector Constraints	65
3.4.1 Access to Market.....	66

3.4.2 Technologies	66
3.4.3 Management	67
3.4.4 Inputs Deliveries	67
3.4.5 Financing	68
3.4.6 Policies	68
3.4.7 Infrastructure	68
3.4.8 Associations	69
3.5 SWOT Analysis of the Tomato Sub-sector	69
3.6. Conclusions on the Moldovan Tomato Sub-sector	70
3.7. Recommendations for the AMIS Further Development	70
