

**American Headway** is a multilevel series for adults and young adults who want to use American English both accurately and fluently. Grammar and vocabulary are taught and explained thoroughly, and all four language skills are developed systematically. **American Headway** combines the best of traditional methods with more recent approaches to make the learning of English stimulating, motivating, and effective.

**American Headway 2** builds on the firm grammatical, lexical, and functional foundation laid in *American Headway 1*. Students' understanding of English is widened and their abilities to use the language for communicative purposes are extended.
