## Language in use

### Classroom Book

ADRIAN DOFF & CHRISTOPHER JONES

*Language in Use* is available in four levels: Beginner, Pre-intermediate New Edition, Intermediate and Upper-intermediate. *Language in Use* offers teachers of adult and young adult learners:

**flexibility**

the course can be tailored to the needs of mixed-ability classes

**dual syllabus**

alternating grammar and vocabulary units

**clarity**

clear organisation and superb illustrations make the course accessible and attractive

**creativity**

highly original tasks stimulate students to make their own personal contribution

**self-study**

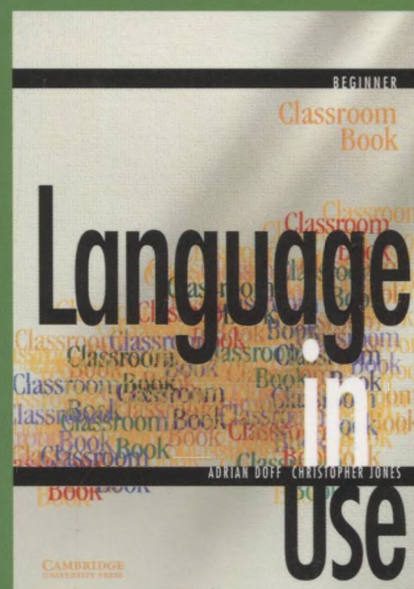

workbooks with integral self-study cassettes provide a resource for genuine self-study

This new edition of the Pre-intermediate level has been fully revised to follow on from Beginner.

The components of *Language in Use* Pre-intermediate are:

- Classroom Book
- Teacher's Book
- Class Cassette Set
