

Objective First Certificate is a user-friendly course, designed to guide students towards success at the Cambridge First Certificate examination through its unique organisation and approach.

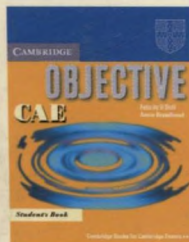

Its short units give a sense of progress, and offer a wealth of varied texts and recordings, thorough training in exam skills, solid language development and lively class discussion.

Key features of Objective First Certificate:

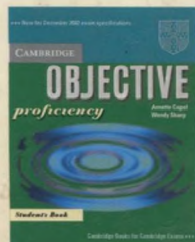

- 30 units, each containing two double-page lessons, integrate language skills and exam training
- 15 'Exam Folders' focus on each exam task in depth and provide practical advice
- 15 'Writing Folders' exploit the topics from the units and develop the full range of skills needed for Paper 2
- 5 revision units regularly reinforce what has been learned
- A 'Grammar Folder' appendix, containing explanations and examples, complements the inductive approach taken in the lessons
- A 'Self-study Folder' with answer key, explanations, transcripts of the recorded material, and cultural background information
