

interchange

THIRD EDITION

Interchange Third Edition is a fully revised edition of **New Interchange**, the world's most successful English series for adult and young adult learners. Each unit includes up-to-date content, additional grammar practice, and more opportunities to develop speaking and listening skills. The series incorporates suggestions from teachers and students all over the world. By keeping the best, and improving the rest, it remains the series that everyone has grown to know and love.

Interchange Third Edition Intro is designed for beginners and for learners needing a thorough review of basic grammar, functions, and vocabulary. The Intro Level provides a solid foundation in the language and is a smooth transition to Levels 1, 2, and 3.

Interchange Third Edition is written in American English, but reflects the fact that English is the major language of international communication, and is not limited to any one country, region, or culture. The philosophy of the series is that English is best learned when used for meaningful communication.

Key features

- A proven multi-skills syllabus
- A focus on accuracy and fluency
- Contemporary, real-world topics
- Natural, conversational language
- Grammar in communicative contexts
- Task-based listening activities
- Fun, personalized speaking activities
- An updated pronunciation syllabus
- Frequent learner-centered progress checks
- A new self-study listening section

The Intro Level of **Interchange Third Edition** includes a Student's Book, Workbook, Teacher's Edition, Class Audio Program, Video Program, and CD-ROM. The Student's Book and Workbook are also available in split editions.

A comprehensive testing program – *The Interchange Third Edition/Passages Placement & Evaluation Package* – can also be purchased with the course.
