

New International Business English

Student's Book **Updated Edition**

New International Business English is a flexible course at the upper-intermediate level for people who need or will soon need to use English in their day-to-day work.

All four skills – listening, speaking, reading, writing – are developed through a wide range of tasks which closely reflect the world of work.

Key features of the *Student's Book* are:

- learner-centred approach
- realistic integrated communication activities
- systematic coverage of essential business tasks
- thorough vocabulary development
- frequent opportunities for discussion

What's new in the **Updated Edition**

The *Student's Book* has been redesigned with many new illustrations and photos to make it more attractive and easier to use.

The *Teacher's Book* and *Workbook* have been redesigned to bring them in line with the *Student's Book*. However, the existing *Teacher's Book*, *Workbook* and all the existing audio material can be used with the Updated Edition of the *Student's Book*.

New International Business English consists of:

- Student's Book
- Workbook
- Teacher's Book
- Student's Book Cassette Set / Audio CD Set
- Workbook Cassette Set / Audio CD Set

Look out for the **New International Business English Video** with accompanying *Teacher's Guide*, which is designed to be used with this course. This contains 12 short and easy-to-use dramatized programmes and 3 documentary programmes to complement the 15 units of the course.

The attached **CD-ROM** contains an introduction to the BEC Vantage examination and one complete Practice Test including audio.
