

4	Table of Contents
6	Contact Info
10	Organizational Schema
12	Foreword
14	Introduction
56	History of the Institute
66	Research Activity

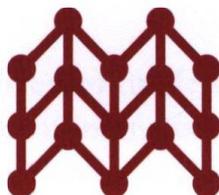

68

## Division of Elementary Particle Physics

71	Department of Astroparticle Physics (16)
86	Department of Elementary Particle Physics (22)
96	Department of Particle Theory and Cosmology (29)
106	Department of Detector Development and Data Processing (33)

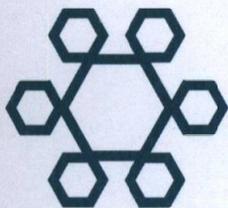

118

## Division of Condensed Matter Physics

122	Department of Magnetic Measurements and Materials (11)
140	Department of Dielectrics (12)
156	Department of Material Analysis (17)
170	Department of Functional Materials (18)
190	Department of Condensed Matter Theory (23)
196	Department of Chemistry (32)

204

## Division of Solid State Physics

- 207 Department of Semiconductors (14)
- 222 Department of Spintronics and Nanoelectronics (15)
- 238 Department of Structure Analysis (19)
- 256 Department of Magnetics and Superconductors (24)
- 270 Department of Thin Films and Nanostructures (26)
- 292 Department of Optical Materials (27)

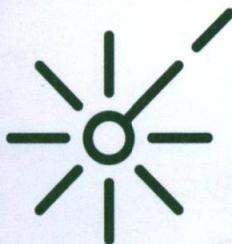

318

## Division of Optics

- 321 Department of Optical and Biophysical Systems (21)
- 340 Department of Low-Temperature Plasma (25)
- 352 Department of Analysis of Functional Materials (28)
- 368 Joint Laboratory of Optics (38)

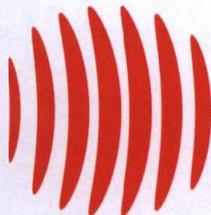

382

## Division of High Power Systems

- 385 HiLASE Centre (53)
- 406 Department of Radiation and Chemical Physics (52)

418

## ELI Beamlines Project Division
