

GEOGRAPHY

2

Fourth Edition

Develop the geographical knowledge and skills you need for Pearson Edexcel AS and A level Geography with this fully updated edition of the bestselling Student's Book; designed to provide in-depth subject coverage and exam support for all compulsory and optional topics.

- Learn, understand and revise the content required for your exams using clear explanations of every topic, with key terms defined throughout
- Bring your study of geographical theory and concepts to life with engaging, up-to-date examples and place contexts
- Improve your understanding through skills-focused activities based on a variety of textual, data and visual sources
- Extend your learning further by exploring suggested weblinks
- Check your topic knowledge and identify your revision needs with review questions at the end of each chapter
- Approach your exams with confidence by working through a variety of AS and A level practice questions
- Be inspired by exciting human and physical geography fieldwork project ideas that help you plan and carry out your AS or A level fieldwork and investigation

Pearson Edexcel A level Geography Book 2 has been endorsed for use with the Pearson Edexcel A level Geography qualification

Authors

Sue Warn and **Michael Witherick** are former chief examiners and **Kim Adams, Cameron Dunn, David Holmes** and **Simon Oakes** are all senior examiners. They all have extensive teaching experience and co-authored previous editions of Edexcel AS and A2 Geography. **Michael Chiles** is an experienced Head of Geography and author of geography resources for schools.

This series includes an eBook and digital teaching and learning support.
