

YOUR PROFESSOR WANTS YOU TO TAKE NOTE!

Are you spending too much time taking notes and missing key concepts during class? Do you get caught up in redrawing figures so that you can study them later? Would you like to become more efficient in your note taking? *Take Note!* can help!

Inside this convenient notebook, you'll find a collection of figures, diagrams, and art that clearly illustrate key concepts featured in the text. Next to each figure, you'll be able to take notes in the space provided during the lecture. Not only will this help you gain a better understanding of the material, but you'll also be better prepared for your exams!

WHAT MAKES *TAKE NOTE!* SO NOTEWORTHY?

- Most pages contain one graphic and all have plenty of space for you to take notes.
- The size of the notebook makes it very easy to use during class.
