

Pronunciation Practice Activities

A resource book for teaching English pronunciation

This is a resource book for teachers looking for fresh ideas for pronunciation teaching. It contains a collection of pronunciation practice activities for a wide range of levels, using a variety of methods.

The book is divided into two parts. The first part introduces teachers to the subject of phonetics and phonology and is a useful background to the activities in the second part. It also highlights some of the current areas of debate and discussion in the teaching and learning of English pronunciation.

The second part of the book contains nearly 100 pronunciation activities divided into eight sections: Developing awareness; Sounds; Connected speech; Syllables and stress; Intonation; Pronunciation and spelling, grammar and vocabulary; Testing and Resources for pronunciation teaching. The book is packaged with an audio CD with material to support the activities.
