

TABLE OF CONTENTS

Preface	v
List of Tables	xiii
List of Figures	xiv
Chapter 1: Introduction to the Theory	1
A Summary of the Theory.....	1
Background Concepts and Origins.....	5
Loose Ends.....	11
Summary.....	14
Chapter 2: The Personality Types	17
Development of Types.....	17
Formulations of the Types.....	21
Assessment of Types.....	28
Subtypes or Personality Patterns.....	31
Types and Expected Performance.....	36
Summary.....	40
Chapter 3: The Environmental Models	41
Development of Models.....	41
Formulations of the Models.....	43
Assessing the Environment.....	48
Internal Relations.....	52
Expected Influences.....	52
Summary.....	54
Chapter 4: People in Environments	55
Definitions and Processes.....	55
Theoretical Applications.....	60
Summary.....	72
Chapter 5: Evidence (1959-1984)	73
Personality Types.....	73
Distinctive Qualities.....	74
Comprehensive Tests.....	74
Personality Inventories and Scales.....	78
Self-Descriptions.....	82
Values.....	83
Abilities and Competencies.....	84
Personality Patterns and Identity.....	86
Life History.....	93
Occupational and Personal Outcomes.....	98
Typological Definitions.....	108
Typological Structure.....	111

Environmental Models	115
Educational Environments	115
Occupational Environments.....	119
People in Environments.....	124
Aspirational and Career Studies.....	125
Interpersonal Relations	134
Cross-National Research	137
Interpretive Summary	138
Chapter 6: Recent Notable Evidence (1985-1996)	141
Personality Types.....	141
Distinctive Qualities	142
Personality Inventories	142
Values.....	145
Abilities and Competencies.....	145
Differentiation, Consistency, and Identity.....	146
Life History	151
Occupational and Personal Outcomes.....	153
Typological Definitions	156
Typological Structure	157
Environmental Models	160
People in Environments.....	161
Meta-Analyses	161
Occupational Studies	162
Educational Studies	164
Congruency and Controversy	165
Cross-National Experience and Research.....	168
Interpretive Summary	168
Chapter 7: Some Theoretical Clarifications and Revisions	171
Beliefs and Diversity of Interest	171
Consistency, Differentiation, and Identity	172
Clarifications and Definitions.....	174
Secondary Constructs	174
Congruence	174
Classification.....	175
Work History (Life History)	175
Personal Career Theory	175
Summary	176
Chapter 8: The Classification System for People, Occupations, or Environments	177
Development.....	177
Validation.....	185
Summary	192

Chapter 9: Practical Applications	193
Career Assistance.....	193
Explanation and Prediction	193
Career Interventions.....	198
Using the Diagnostic Ideas	198
Organizing Information and Interventions.....	199
Creating More Influential Assistance	203
A Theory of Career Intervention and Change	205
Social Science.....	210
Classification System.....	210
Interpersonal Relations	212
Cultural Change and Comparisons	213
Education	214
Elementary and Secondary Education	214
Career and Vocational Education	215
Higher Education.....	215
Business and Industry	216
Summary	217
References	219
Appendix A: Self-Directed Search® Form R Assessment Booklet	263
Appendix B: Self-Directed Search® Form R The Occupations Finder	267
Appendix C: Environmental Identity Scale (EIS)	273
Appendix D: The Career Attitudes and Strategies Inventory™ (CASI™) Scales	277
Appendix E: Research Suggestions for Students	279
Subject Index	289
Author Index	297
