	About the Internet Security Alliance	i
	Acknowledgments	v
	Foreword	xiii
Section I	A Social Contract for Cybersecurity	1
One	A Brief History of the Cybersecurity Problem and Policies That Have Attempted to Address It	3
	<i>Larry Clinton</i> , President and CEO, Internet Security Alliance	
Two	A Twelve-Step Program for Implementing the Cybersecurity Social Contract	20
	<i>Larry Clinton</i> , President and CEO, Internet Security Alliance	
Section II	Cybersecurity in Industry Sectors	47
Three	Cybersecurity in the Defense Industrial Base	49
	<i>Jeff Brown</i> , Vice President and Chief Information Security Officer, Raytheon	
	<i>JR Williamson</i> , Corporate Chief Information Officer, Northrop Grumman	
Four	Cybersecurity in the Healthcare Industry	63
	<i>Dustin Wilcox</i> , Vice President and Chief Information Security Officer, Centene	
Five	Cybersecurity in the Banking and Financial Sector	82

	<i>Daniel Crisp</i> , Chief Information Risk Officer and Head of Technology Compliance, BNY Mellon	
	<i>Larry Trittschuh</i> , Threat and Vulnerability Leader, Synchrony Financial	
	<i>Gary McAlum</i> , Chief Security Officer and Senior Vice President, USAA	
Six	Cybersecurity in the Power Utility Sector	100
	<i>Scott DePasquale</i> , Chairman and CEO, Utilidata	
Seven	Cybersecurity and the Information Technology Industry . . .	113
	<i>Art Coviello Jr.</i> , Executive Chairman (Retired), RSA	
Eight	Cybersecurity in Telecommunications	133
	<i>Richard Spearman</i> , Group Corporate Security Director, Vodafone	
Nine	Winning the Cyber-Talent War: Strategies to Enhance Cybersecurity Workforce Development	142
	<i>Dr. David Brumley</i> , Professor of Electrical and Computer Engineering and Director of Carnegie Mellon's CyLab Security and Privacy Institute	
Ten	Cybersecurity in the Manufacturing Sector	155
	<i>Brian Raymond</i> , Director of Innovation Policy, National Association of Manufacturers	
Eleven	Cybersecurity in the Food and Agriculture Sector	163
	<i>Dr. Robert Zandoli</i> , Global Chief Information Security Officer, Bunge Limited	
Section III	Crosscutting Issues in Cybersecurity	175
Twelve	The Evolving Role of Boards in Cyber-Risk Oversight . . .	177
	<i>Ken Daly</i> , CEO, National Association of Corporate Directors	
	<i>Larry Clinton</i> , President and CEO, Internet Security Alliance	
Thirteen	Cybersecurity Assurance: A Comprehensive Approach . .	188
	Center for Audit Quality	
Fourteen	The Role of Cyber Insurance in Promoting Cybersecurity . . .	201
	<i>Tracie Grella</i> , Head of Cyber Risk Insurance, AIG <i>Anthony Shapella</i> , Managing Director, AIG	

Fifteen	Deploying a Voluntary Cyber-Resilience Program: A Strategic Imperative	217
	<i>Andrea Bonime-Blanc</i> , JD/PhD, CEO, GEC Risk Advisory	
Sixteen	The Digital Equilibrium Project: Balancing Cybersecurity and Privacy	243
	<i>Art Coviello, Jr.</i> , Executive Chairman (Retired), RSA	
	<i>James Kaplan</i> , Partner, McKinsey & Co	
	<i>Salim Hasham</i> , Partner, McKinsey & Co	
	<i>Chris Rezek</i> , Senior Expert, McKinsey & Co	
	<i>Marc Sorel</i> , Engagement Manager, McKinsey & Co	
Seventeen	Best Practices for Cybersecurity Public-Private Partnerships	261
	<i>Larry Clinton</i> , President and CEO, Internet Security Alliance	
Appendix A	Ten Cybersecurity Items for the President's First One Hundred Days	281
Appendix B	Briefing Memos	285
One	A Brief History of the Cybersecurity Problem and Policies That Have Attempted to Address It	287
	<i>Larry Clinton</i> , President and CEO, Internet Security Alliance	
Two	A Twelve-Step Program for Implementing the Cybersecurity Social Contract	292
	<i>Larry Clinton</i> , President and CEO, Internet Security Alliance	
Three	Cybersecurity in the Defense Industrial Base	297
	<i>Jeff Brown</i> , Vice President and Chief Information Security Officer, Raytheon	
	<i>JR Williamson</i> , Corporate Chief Information Officer, Northrop Grumman	

Four	Cybersecurity in the Healthcare Industry 301 <i>Dustin Wilcox</i> , Vice President and Chief Information Security Officer, Centene
Five	Cybersecurity in the Banking and Financial Sector 305 <i>Daniel Crisp</i> , chief Information Risk Officer and Head of Technology Compliance, BNY Mellon <i>Larry Trittschuh</i> , Threat and Vulnerability Leader, Synchrony Financial <i>Gary McAlum</i> , Chief Security Officer and Senior Vice President, USAA
Six	Cybersecurity in the Power Utility Sector 309 <i>Scott DePasquale</i> , Chairman and CEO, Utilidata
Seven	Cybersecurity and the Information Technology Industry . . . 314 <i>Art Coviello Jr.</i> , Executive Chairman (Retired), RSA
Eight	Cybersecurity in Telecommunications 318 <i>Richard Spearman</i> , Group Corporate Security Director, Vodafone
Nine	Winning the Cyber-Talent War: Strategies to Enhance Cybersecurity Workforce Development 322 <i>Dr. David Brumley</i> , Professor of Electrical and Computer Engineering and Director of Carnegie Mellon's CyLab Security and Privacy Institute
Ten	Cybersecurity in the Manufacturing Sector 327 <i>Brian Raymond</i> , Director of Innovation Policy, National Association of Manufacturers
Eleven	Cybersecurity in the Food and Agriculture Sector 331 <i>Dr. Robert Zandoli</i> , Global Chief Information Security Officer, Bunge Limited
Twelve	The Evolving Role of Boards in Cyber-Risk Oversight . . . 335 <i>Ken Daly</i> , CEO, National Association of Corporate Directors <i>Larry Clinton</i> , President and CEO, Internet Security Alliance
Thirteen	Cybersecurity Assurance: A Comprehensive Approach . . 339 Center for Audit Quality <i>Anthony Shepella</i> , Managing Director, AIG

Fourteen	The Role of Cyber Insurance in Promoting Cybersecurity . . . 343 <i>Tracie Grella</i> , Head of Cyber Risk Insurance, AIG <i>Anthony Shapella</i> , Managing Director, AIG
Fifteen	Deploying a Voluntary Cyber-Resilience Program: A Strategic Imperative 347 <i>Andrea Bonime-Blanc</i> , JD/PhD, CEO, GEC Risk Advisory
Sixteen	The Digital Equilibrium Project: Balancing Cybersecurity and Privacy 351 <i>Art Coviello, Jr.</i> , Executive Chairman (Retired), RSA <i>James Kaplan</i> , Partner, McKinsey & Co <i>Salim Hasham</i> , Partner, McKinsey & Co <i>Chris Rezek</i> , Senior Expert, McKinsey & Co <i>Marc Sorel</i> , Engagement Manager, McKinsey & Co
Seventeen	Best Practices for Cybersecurity Public-Private Partnerships 355 <i>Larry Clinton</i> , President and CEO, Internet Security Alliance
