Foreword, by John Speth	<i>ix</i>
Preface	<i>xiii</i>
 CHAPTER 1 INTRODUCTION	 <i>1</i>
Theory and Choice of Variables	<i>3</i>
The Influence of Previous Studies of Pygmies	<i>5</i>
 CHAPTER 2 THE STUDY AREA AND ITS INHABITANTS	 <i>9</i>
The Physical Environment	<i>9</i>
The Effects of Human Occupation	<i>10</i>
Peoples Inhabiting the Ituri Forest	<i>12</i>
The Study Area Study Populations	<i>14</i>
Sample Populations	<i>15</i>
The Lese Dese	<i>16</i>
The Efe	<i>19</i>
The Annual Cycle	<i>20</i>
The Efe Annual Cycle	<i>21</i>
 CHAPTER 3 METHODS	 <i>25</i>
Observations of Behavior	<i>25</i>
Choice of Observation Technique	<i>25</i>
Sampling Schedules	<i>26</i>
Recording Methods	<i>28</i>
All-Day Observations of Behavior	<i>29</i>
Observer Effect	<i>30</i>
The Problem of Independence	<i>31</i>
Ad Lib Observations	<i>32</i>
Observations of Hunts	<i>32</i>
Other Data Collection	<i>33</i>
Demography	<i>33</i>

Anthropometry	35
Food Procurement and Exchange	36
Questionnaires	37
Event Calendars	37
Quid Pro Quo	37
Data Analyses	39
CHAPTER 4 ACTIVITY PATTERNS AND FOOD ACQUISITION	41
Subsistence and Maintenance Activities	42
Hunting	42
Food Gathering	44
Honey Gathering	45
Collecting Firewood and Water	47
Food Preparation	48
Camp Maintenance	48
Manufacture and Maintenance of Implements	49
Village-Related Work	50
Travel Between Camp and Village	51
Moving Camp	52
Total Subsistence-Related Work	52
Child Care	53
Self Care	55
Leisure	55
Recreation	55
Smoking	56
Locomotion	57
Distance Traveled	57
Comparisons with Non-human Primates	59
The Effect of Age on Distance Traveled	59
Health and Illness and Activity	60
The Kinds of Illness	60
Health and Activity	62
The Effects of Weather on Activity	64
Camp Location	65
Distance from the Village	66
Seasonal Location of Camps	66
Activity Patterns: Forest vs. Village	67
Hunting and Gathering	68
Work in the Village	68
Total Subsistence Work	68
Food Acquisition	70
Summary	73
Conclusion	74

CHAPTER 5	THE SOCIOECOLOGY OF EFE HUNTING	77
	Hunting Methods and Prey Species	79
	Monkey Hunts	79
	Ambush Hunts	80
	Group Hunts	81
	Time Allocation During Hunts	83
	Locomotor Patterns	83
	Distance Traveled	84
	Hunting Returns	84
	Monkey Hunts	84
	Ambush Hunts	85
	Group Hunts	86
	Group Hunts: Sharing	90
	The Effect of Sharing on Individual Procurement Success	90
	Age and Procurement Success	93
	Limited Needs for Meat	94
	Comparison of Hunting Returns: All Methods	97
	The Advantages of Group Hunting	98
	Summary	101
CHAPTER 6	HUNTING SUCCESS AND MARRIAGE	103
	Marriage Patterns of Efe and Lese	104
	Efe Male Strategies of Competition	105
	Overall Hunting Success	106
	Marital Success and Hunting Success	107
	Wealth, Hunting and Marriage	108
CHAPTER 7	CONCLUSION	111
	The Pygmy-Villager Relationship	112
	Sex Differences in Behavior	114
