## Part I

1. The European Communities and the European Union:	
the Basic Legal Structure	3
The European Communities	3
The Community Treaties	3
The aims and objectives of the Communities	7
The Institutions of the Communities	9
The European Parliament	9
The Council	10
The Commission	13
The Court of Justice	15
The Court of Auditors	17
The scope and exercise of powers: competence and subsidiarity	17
Forms of Community acts	19
Community law	22
Sources	22
Nature	22
General principles of law	24
The European Union	25
2. Legal Personality of the Communities	29
International law	30
Community law	33
National laws of the Member States	34
Conclusion	35
3. The Powers of the Communities	37
Sources of Community competence	39
European Coal and Steel Community	42
Euratom	42
European Community	44

Express powers	45
A power to conclude agreements	45
A power to foster co-operation at the international level	46
A power to co-operate with international organizations	47
Implied powers	47
Where measures have been adopted by the Institutions	49
Where powers to legislate internally exist but have not been exercised	50
Where a power to act is implicit in an Article of the Treaty conferring an internal power	53
Articles 95 ECSC, 235 EC and 203 Euratom	53
The Communities' powers in the area of diplomatic relations	55
Nature of Community competence	56
'Exclusive' Community competence	56
When is the Community's competence exclusive?	56
Where that consequence flows from the Treaty provisions from which competence derives	56
Where that consequence follows from the scope of the measures adopted by the Institutions	58
Where external competence arises from an express power in an internal act	60
Where internal powers can only be effectively exercised at the same time as external powers	60
Consequences of the existence of exclusive Community competence	61
'Shared' competence	63
When is competence shared?	63
Duties on Member States when competence is shared	67
The geographical extent of Community competence	67
Temporal scope of Community competence	72
Existence of Community competence	72
Exclusivity of Community competence	73
4. Acceptance of International Commitments	75
Agreements	75
Meaning of 'agreement'	75
Applicable law	76
International practice	77
Negotiation	77

Signature subject to approval	77
Provisional application	78
Expression of consent to be bound	78
Ratification and Accession	78
Conclusion of agreements—the Communities' internal procedures	80
Form of Council acts	80
Legal basis	81
European Community	83
Legal Basis	83
Procedures for negotiation and conclusion of agreements by the EC	84
Negotiation	85
Initialing and other methods of establishing the text	90
Signature subject to approval	91
Provisional application	91
Conclusion of agreements	91
Role of the Parliament	98
Delegation of powers to the Commission	103
Agreements requiring amendment of the Treaty	105
ECSC	106
Legal basis	106
Procedures for conclusion of agreements binding the ECSC	106
Negotiation	106
Signature subject to approval and provisional application	107
Conclusion	107
Euratom	107
Legal basis	107
Negotiation and conclusion of agreements falling within Article 101	108
Agreements requiring Council action	109
Agreements requiring no Council action	109
Role of the Parliament	109
Association agreements	109
Article 29 Euratom	110
Judicial Scrutiny of proposed agreements	111
European Community	111
Task of the Court	111
Time limits for submission of an application under Article 228 (6)	112
Procedure	113

ECSC	114
Euratom	114
Task of the Court	115
Procedure	115
Expression of consent to be bound	116
Reservations and declarations	117
Publication of Community agreements	118
Language versions	118
Registration of Community agreements at the United Nations	119
Amendment and termination of agreements	119
Unilateral obligations	120
Informal or non-binding arrangements	121
Procedure	121
5. Legal Effects of Community Agreements	122
Community agreements in international law	122
Community agreements bind the Community institutions and the Member States	124
Community agreements 'are binding on the institutions of the Community'	125
Community agreements 'are binding on . . . the Member States'	125
Implementation of Community agreements	128
Adoption of legislation to give effect to the agreement	128
Day-to-day application of the provisions of the agreement	129
Agreements concluded in violation of Community law	129
Geographical application of Community agreements	132
Community agreements are an integral part of Community law	133
Agreements can give rise to rights and duties which have direct effect in Community law	135
Horizontal and vertical direct effect	136
Decisions of bodies created by Community agreements form part of Community law	137
Judicial review of agreements	138
Conclusion of the agreement	139
Judicial review of acts of the institutions	139
Interpretation of Community agreements	140

6. Mixed Agreements	142
The concept of the 'mixed agreement'	142
The 'Community' and the 'Member States'	144
The 'duty of close co-operation' in the external relations of the Communities	145
Community co-ordination	148
'Close co-operation' and 'unity'	148
Negotiation, conclusion and implementation of mixed agreements	151
Negotiation	151
The authorization	151
Content of the authorization	152
Co-ordination	152
Conduct of the negotiations	152
Initialling, signature and provisional application	153
Conclusion	154
Simultaneous ratification or approval	154
Implementation	155
Adoption of legislation to give effect to a mixed agreement	155
Day-to-day application of the provisions of a mixed agreement	156
Mixed agreements are part of the Community legal order	156
Participation of the Community and the Member States in bodies set up by an agreement	158
Liabilities of the Community and the Member States to Third States	158
Rights of the Community and the Member States under mixed agreements	160
Allocation of competences between the Community and the Member States in mixed agreements	160
Amendment	162
Termination	163
7. The Communities and International Organizations	165
The Communities' relations with international organizations	165
Conclusion of agreements between the Communities and international organizations	166
Administrative co-operation between the Communities and international organizations	166
Diplomatic relations between the Communities and international organizations	168

The Communities' participation in international organizations	169
The establishment of international organizations	169
Membership and observer status	170
Presentation of the Community position in international organizations	171
Community co-ordination in practice	172
The division of competence between the Communities and the Member States	173
Attribution of votes	174
Composition of the Community's delegation	175
Decision-making within international organizations	175
The Communities and international organizations: practice	176
Organizations of which the Community is a member	176
The Food and Agriculture Organization	176
The GATT and the WTO	179
Commodities agreements	180
The Common Fund for Commodities	181
International Commodities Agreements	182
Commodities Study Groups	185
Fisheries Organizations	186
European Bank for Reconstruction and Development	187
Organizations in which the Community participates as an Observer	189
The United Nations	189
The General Assembly	189
The Security Council	190
The Trusteeship Council	190
The International Court of Justice	190
The Economic and Social Council (ECOSOC)	190
The United Nations Conference on Trade and Development	191
The International Labour Organization	191
The Council of Europe	192
The Organization for Economic Co-operation and Development	193
International conferences	194
8. The Diplomatic Relations of the Communities	208
The Communities and the Member States	210
Member States' representations to the Communities	210
Privileges and immunities	210
Representation of the Communities in the Member States	211

Privileges and immunities	211
The Communities and Third States	212
Third States' missions to the Communities	212
Establishment of third States' missions to the Communities	213
Tasks of such missions	214
Rights and privileges of such missions	214
Representation of the Communities in third States	215
Commission delegations in third States	215
Tasks of Commission delegations	216
Procedure for appointment of Commission delegations	216
Accreditation and precedence in the host State	216
Privileges and immunities of Commission delegations	217
The ACP States	218
Diplomatic missions of the Member States	218
Presidency representation of the Communities in third States	219
The Communities and international organizations	220
Representation of international organizations to the Communities	220
The Communities' representation at international organizations	220
Commission delegations	221
Tasks of Commission delegations	221
Procedure for appointment of Commission delegations	221
Accreditation to the organization	221
Privileges and immunities of Commission delegations	221
Diplomatic missions of the Member States	221
Presidency representation of the Communities in international organizations	222
9. Accession, Pre-existing Agreements and the Member States	226
Accession	226
The Communities' agreements with third States	227
New Member States' existing agreements with third States	228
Rights of third States under pre-existing agreements of the Member States	229
Article 234 of the EC Treaty	229
Articles 105 and 106 of the Euratom Treaty	231
Community competence and the Member States	231
Protecting the competence of the Communities	232

The Euratom Treaty	232
The EC Treaty	233
Council Decision 69/494	233
Council Decision 74/393	233
Preserving the Member States' legitimate freedom to act	234
Treaties	234
Community practice	234
The Community as the successor to the Member States	235
The Member States acting for the Communities	236

## **Part II**

10. Fisheries	241
Legal basis of the Community's external competence	241
Extent of the Community's competence	242
Nature of the Community's competence	242
Legal basis	243
Procedures for conclusion of fisheries agreements	244
International organizations	244
Dependent territories	245
Practice in relation to fisheries agreements	245
Multilateral agreements	246
Bilateral agreements	249
Reciprocal agreements	249
Surplus agreements	250
Community waters	250
Waters of third States	250
Commercial agreements	251
Other agreements	252
11. Transport	253
The ECSC	253
Extent of the Community's competence	253
Practice of the ECSC	254
The European Community	254
Extent of the Community's external competence	255
Nature of the Community's competence	256
Community practice in relation to international transport	256
Legal basis	256
Co-ordination of Member State action	257
Transport provisions in Community agreements	257
General	257
Multilateral agreements	257
Bilateral agreements	257

Maritime Transport	258
Multilateral agreements	258
Bilateral agreements	260
Air Transport	260
Land Transport	261
Multilateral agreements	261
Bilateral agreements	261
Unilateral Community measures	262
Community participation in international transport organizations	263
12. Common Commercial Policy	266
Introduction	266
Legal basis for the Community's competence	266
Provisions of the Treaty	266
Scope of Article 113	268
General Principles	268
Trade in services	269
Intellectual property	271
Competition	271
Trade and other policies	272
Nature of the Community's Competence	273
Practice in the Implementation of the Commercial Policy	274
General	
Internal Community rules relating to Commercial Policy	274
Common Customs Tariff	274
Export regime	276
Import regime	276
Commercial defence instruments	278
Contractual Commercial Policy	283
Introduction	283
Tariff agreements	284
Free Trade agreements	284
Customs Union agreements	285
'Interim agreements'	285
Commercial and Economic Co-operation agreements	286
GATT	289
WTO	289
Textiles	290
Commodities	291
Customs Co-operation agreements	291
Organization for Economic Co-operation and Development (OECD)	292

European Coal and Steel Community	293
Treaty provisions	293
Practice in implementation of the commercial policy	294
Commercial defence instruments	295
13. Education, Vocational Training and Youth	296
Legal basis of the Community's external competence	296
Extent of the Community's external competence	297
Nature of the Community's external competence	298
Practice of the Community	298
Legal basis	298
Multilateral agreements	299
Bilateral agreements	299
Agreements under the Comett II Programme	299
Agreements under the Erasmus Programme	299
Other bilateral agreements	299
International organizations	300
UNESCO	300
The Council of Europe	301
Unilateral Community acts	301
14. Culture	303
Legal basis of the Community's external competence	303
Extent of the Community's competence	304
Nature of the Community's competence	304
Practice of the Community	304
Legal basis	304
Agreements	305
Multilateral agreements	305
Bilateral agreements	305
Unilateral measures	305
International organizations	306
15. Public Health	307
Legal basis of the Community's external competence	307
Extent of the Community's external competence	308
The fight against drugs	308
Nature of the Community's competence	308
Practice of the Community	309
Legal basis and procedures	309
Agreements	309
Multilateral agreements	309
Health	309
The fight against drugs	310

Bilateral agreements	310
Unilateral measures	311
International organizations	311
16. Research and Technological Development	312
Legal basis of the Community's external competence	313
Extent of the Community's competence	313
Nature of the Community's competence	314
Practice of the Community	315
Agreements	315
Legal basis and procedures	315
Multilateral agreements	316
Bilateral agreements	316
Within the Framework Programmes	316
Under framework agreements on science and technology	318
Co-operation in the framework of other bilateral agreements	319
The EEA Agreement	320
Other arrangements for co-operation	321
Unilateral acts	321
International organizations	321
COST and Eureka	321
17. Environment	323
Legal basis of the Community's external competence	324
Extent of the Community's competence	325
Nature of the Community's competence	326
Practice in relation to the environment	327
Status of the Community	328
Mixed agreements	329
Dispute settlement	330
Legal basis for the conclusion of agreements on the environment	330
Declarations of competence	331
Multilateral agreements	331
Agreements on water pollution	331
Agreements on air pollution	333
Agreements for the protection of wildlife and plants	333
Movement of hazardous waste	334
Other agreements and arrangements	334
Unilateral acts	336
Community participation in international organizations	336

18. Development and Assistance Policies	338
Legal basis of the Community's external competence	339
Extent of Community competence	340
Nature of Community competence	342
Practice of the Community	343
Legal basis and procedures	344
Agreements	344
Unilateral measures	344
Food aid	344
Humanitarian aid	345
Financial assistance	345
The EC Investment Partners Facility	346
Aid to Mediterranean States	346
The Occupied Territories	347
Asia and Latin America	347
Assistance to Central and Eastern Europe and the States of the Former Soviet Union	348
Central and Eastern Europe	348
Agreements	349
Unilateral Community measures	349
The States of the FSU	349
International organizations	350
19. Sanctions	352
Position before the Treaty on European Union	352
Present basis for Community action	354
Provisions of Article 228a	355
Effect on existing agreements	357
Recent practice	358
Iraq	359
Libya	360
Yugoslavia	361
Haiti	365
Unità	366
20. Association Agreements	367
General	367
Legal basis of the Community's competence	367
The Treaty provision	367
'one or more States or international organizations'	367
'agreements'	367
'establishing'	368
'an association'	368
'involving reciprocal rights and obligations'	369

‘common action and special procedures’	369
Procedure for conclusion	370
Member States as parties to association agreements	371
Practice in relation to association agreements	372
Association as a preliminary to membership	373
Greece	373
Turkey	373
Malta and Cyprus	374
Agreements with Central and Eastern Europe (the ‘Europe Agreements’)	375
The Agreement on the European Economic Area	377
Association as a special type of development assistance	380
The ACP-EEC Convention (The Lomé Convention)	380
Association with the Overseas Countries and Territories (OCTs)	382
Association with the Mediterranean countries	383
Maghreb (Algeria, Morocco and Tunisia)	383
Mashreq (Egypt, Jordan, Syria and Lebanon)	384
Israel	385
Yugoslavia	385
21. Non-Nuclear Energy	386
The Legal basis of the Communities’ external competence	386
Extent and nature of the Communities’ powers	387
Practice of the Communities	387
Agreements	388
Multilateral agreements	388
European Energy Charter	388
Lomé IV	388
Bilateral agreements	389
Unilateral measures	390
International organizations	391
22. Euratom	392
Legal basis of Euratom’s external competence	392
Extent of Euratom’s competence	392
Nature of Euratom’s competence	393
Procedure for the conclusion of agreements	394
Practice of Euratom in external relations	394
Multilateral agreements	394
Agreements in implementation of the Treaty on Non-Proliferation of Nuclear Weapons	394
International Convention on the Physical Protection of Nuclear Materials	395

Agreement establishing an International Science and Technology Centre	395
Co-operation on controlled thermonuclear fusion	396
Bilateral agreements	396
Agreements involving the transfer of nuclear material	396
The United States of America	396
Canada	397
Australia	397
Agreements on scientific co-operation and research	397
Thermonuclear fusion and plasma physics	397
Radiation protection	397
Management of radioactive waste	398
Miscellaneous	398
Unilateral Community measures	398
Euratom and international organizations	398
International Atomic Energy Agency	398
International Labour Organization	399
The OECD	399
Council of Arab Economic Unity	399
23. The European Coal and Steel Community	400
Legal Position	400
Capacity of the ECSC to enter into international agreements	400
Extent of the Community's powers	401
Legal basis for action by the ECSC	403
Member States as parties to agreements	405
Practice of the ECSC	406
Multilateral agreements	406
Agreement on the European Economic Area	406
The Fourth Lomé Convention	406
Bilateral agreements	406
International Labour Organization	406
Agreement on railway tariffs with Switzerland	406
Agreements with the EFTA countries	407
Agreements with the Maghreb countries	407
Agreements with the Mashreq countries	407
Israel	407
Central and Eastern Europe	407
India	408
Slovenia	408
Unilateral measures	408

**Part III**

24. The Common Foreign and Security Policy	410
The Treaty structure	413
The scope of the Common Foreign and Security Policy	414
Means of action	416
Information, consultation and common positions	416
Joint action	417
Representation	419
Co-operation on the ground	419
The institutional framework	420
The European Council	420
The Council	420
The Commission	422
The European Parliament	422
Functioning and financing	423
The Court of Auditors and the Court of Justice	423
Review	424
