Marketing automation	36
Digital transformation	38
Post-digital world	40
Section 1.4 summary	40
<b>1.5 SOSTAC® planning methodology</b>	<b>41</b>
Situation analysis	42
Assessing your marketplace	43
Sloppy digital marketing	43
Digital marketing objectives: PR Smith's 5Ss	45
Objective: SELL online	48
Selling what to whom	49
Objective: SERVE – customer-service online	50
Objective: SPEAK – online communications tools	52
Objective: SAVE – online cost reduction	54
Objective: SIZZLE – adding some magic	56
Section 1.5 summary	58
Digital marketing strategy and objectives	59
Section 1.6 summary	60
<b>1.6 Chapter summary</b>	<b>60</b>
<b>1.7 References</b>	<b>61</b>
<b>1.8 Weblinks</b>	<b>63</b>
<b>1.8 Self-test</b>	<b>63</b>
<b>2 Digital customers</b>	<b>65</b>
<b>2.1 Introduction to digital customers</b>	<b>67</b>
Consumers value privacy and trust	70
Ideal customers	72
Engaged customers = customer engagement	74
Section 2.1 summary	76
<b>2.2 Motivations</b>	<b>76</b>
Facebook, cavemen, clever networkers, herds or individuals?	78
Why do customers go online, and do you meet their expectations?	78
B2B customers have emotional motivations too	80
Responding to customer motivations	81
Section 2.2 summary	83
<b>2.3 Expectations</b>	<b>84</b>
What are the online expectations?	84
Section 2.3 summary	89
Expectations	89
<b>2.4 Fears and phobias</b>	<b>89</b>

What are the fears and phobias? 89

Privacy 92

Digital minimalism 93

Section 2.4 summary 95

Fears and phobias 95

2.5 *Online information processing* 95

Information processing is changing 96

The shift towards visual 96

Processing graphic images 100

Section 2.5 summary 101

Online information processing 101

2.6 *The online buying process* 101

Section 2.6 summary 107

2.7 *Online relationships and loyalty* 107

Developing loyalty 109

Section 2.7 summary 112

2.8 *Communities and social networks* 112

Community and social network building strategies 113

Section 2.8 summary 115

2.9 *Customer profiles* 116

Profiling B2C customers 116

New DMU member – bots? 121

Section 2.9 summary 122

2.10 *Researching the online customer* 122

Section 2.10 summary 127

Researching the online customer 127

2.11 *Personas* 128

What information/insights should a persona contain? 129

Section 2.11 summary 132

2.12 *Chapter summary* 133

2.13 *References* 133

2.14 *Weblinks* 136

2.15 *Self-test* 137

3 *Digital models* 139

3.1 *Introduction to digital models* 141

Section 3.1 summary 142

3.2 *Online revenue models* 142

Assessing the best form of revenue model 144

Section 3.2 summary 146

3.3 *Digital intermediary models* 146

The long tail marketplace model (Zipf's Law) 148

Section 3.3 summary 150

3.4 *Attribution models* 150

Section 3.4 summary 155

3.5	<i>Communications models</i>	156
	Section 3.5 summary	159
3.6	<i>Customer information processing models</i>	160
	Section 3.6 summary	161
3.7	<i>Customer buying process models</i>	161
	High-involvement purchases	161
	Everything changes – including customer buying process models	163
	Low-involvement purchases	163
	Section 3.7 summary	165
3.8	<i>Loyalty models</i>	166
	Achieving customer advocacy and net promoter score	168
	Digital marketing checklist – influencing and managing advocacy online	168
	Section 3.8 summary	169
3.9	<i>Social media models</i>	169
	Metcalf's law proves the power of community	170
	Section 3.9 summary	170
3.10	<i>Social business models and the Ladder of Engagement</i>	170
	Customer engagement creates stronger brands and more advocates	171
	Identifying engaged customers is important	171
3.11	<i>Marketing technology</i>	175
	Simplifying the bewildering choice of marketing technology with MarTech stacks	175
	The return on MarTech investment	179
	Using customer data platforms to integrate data	180
	Section 3.11 summary	180
3.12	<i>The endless journey – digital capability maturity models</i>	180
	Section 3.12 summary	181
3.13	<i>Chapter summary</i>	181
3.14	<i>References</i>	183
3.15	<i>Weblinks</i>	185
3.16	<i>Self-test</i>	185
4	<i>Content marketing</i>	186
4.1	<i>Introduction</i>	187
	Section 4.1 summary	190
4.2	<i>What is the scope of a content marketing strategy?</i>	190
	Do you have a content hub?	193
	Section 4.2 summary	195
4.3	<i>Setting objectives and making the case for investment in content marketing</i>	196
	Challenges of content marketing	196
	Section 4.3 summary	197
4.4	<i>Creating a content marketing strategy</i>	197
	Structuring your content marketing plan	199
	Section 4.4 summary	201
4.5	<i>Complete a content audit</i>	201
	Section 4.5 summary	203

4.6	<i>Ideation for content marketing</i>	203
	Selecting types and formats of content	205
	Section 4.6 summary	207
4.7	<i>Implement your content marketing strategy</i>	207
	Planning your editorial calendar	208
	Selecting content or editorial themes for social media posting	209
	Section 4.7 summary	211
4.8	<i>Content distribution including influencer marketing</i>	212
	Using influencer marketing to support content marketing	212
	Keeping your influencer marketing legal	215
	Section 4.8 summary	215
4.9	<i>Review and optimize content marketing ROI</i>	215
	Measuring the effectiveness of individual content assets	216
	Section 4.9 summary	219
4.10	<i>Chapter summary</i>	219
4.11	<i>References</i>	220
4.12	<i>Weblinks</i>	221
4.13	<i>Self-test</i>	221
5	<i>Create integrated campaigns</i>	223
5.1	<i>Introduction</i>	224
	Types of campaigns	224
	What makes campaigns effective?	226
	Why plan?	228
	Why is it important?	228
	Structuring campaigns	228
	Section 5.1 summary	234
5.2	<i>Situation – target audience and competitive marketplace</i>	234
	Section 5.2 summary	238
5.3	<i>Objectives – set campaign goals</i>	238
	Setting SMART VQVC objectives for goals and tracking	240
	Bounce rate	243
	Allowable cost-per-acquisition	245
	Campaigning activities	247
	The Cycle 21 campaign plan	247
	Forecasting	249
	Section 5.3 summary	249
5.4	<i>Campaign tracking codes and review in Google Analytics</i>	250
	Google Tag Manager	253
	Section 5.4 summary	254
5.5	<i>Campaign value proposition or offer and big idea</i>	254
	Direct response offers	256
	Defining T&Cs (terms and conditions)	256
	The campaign “Big Idea”	257
	Section 5.5 summary	258

Retargeting to customers to upsell	365
Retargeting to customers to inform and retain	365
Section 7.4 summary	365
7.5 <i>Online PR</i>	366
Creating business blogs and feeds	369
Section 7.5 summary	372
Online PR	372
7.6 <i>Online partnerships</i>	372
Co-marketing	373
Online sponsorship	373
Affiliate marketing	374
Different categories of affiliate site	376
Section 7.6 summary	376
7.7 <i>Opt-in email</i>	377
Opt-in email options for customer acquisition	378
Automating email communications	378
Email marketing success factors	381
Section 7.7 summary	382
Opt-in email marketing	382
7.8 <i>Offline traffic building</i>	382
What are we communicating offline?	383
Offline traffic building	386
7.9 <i>Chapter summary</i>	386
7.10 <i>References</i>	386
7.11 <i>Weblinks</i>	388
7.12 <i>Self-test</i>	388
8 <i>Designing digital experiences</i>	390
8.1 <i>Introduction – essential elements of creating effective online experiences</i>	392
Digital experience goals	395
Key variables for web design objectives	399
Usability and accessibility	403
Section 8.1 summary	407
8.2 <i>Integrated design</i>	407
The web and buying modes	407
How should the web integrate with other communications systems?	410
Section 8.2 summary	410
8.3 <i>Online value proposition</i>	411
From OVP to multichannel digital value propositions	413
Section 8.3 summary	414
8.4 <i>Customer orientation</i>	414
Section 8.4 summary	416

8.5 <i>Dynamic design: AB testing, CRO and personalization</i>	416
AB testing and Conversion Rate Optimisation (CRO)	417
Options for personalization	421
Online retail merchandising	423
Section 8.5 summary	424
8.6 <i>Aesthetics</i>	424
Site style	425
What are the design constraints?	425
Visual design	427
Colour	427
Typography	428
Checklist for excellence in web typography	429
Section 8.6 summary	430
8.7 <i>Page design</i>	430
Section 8.7 summary	432
Page design	432
8.8 <i>Content strategy and copywriting</i>	434
Copywriting	435
Section 8.8 summary	438
8.9 <i>Navigation and structure</i>	438
Site structure	439
Achieving flow	440
Navigation rules	440
Navigation types	441
Section 8.9 summary	442
8.10 <i>Interaction</i>	442
Different types of interaction	442
Using interactivity to move customers through the buying process	442
Section 8.10 summary	445
8.11 <i>Mobile experience design</i>	445
Section 8.11 summary	449
8.12 <i>Chapter summary</i>	450
8.13 <i>References</i>	451
8.14 <i>Weblinks</i>	452
Tools to improve digital experiences	452
8.15 <i>Self-test</i>	453
Digital innovation	454
9.1 <i>Introduction</i>	456
9.2 <i>What is innovation?</i>	457
Innovation types and examples	457
Innovator's advantage and disadvantage	458

Diffusion of innovations	460	
Accelerated success – accelerated diffusion of innovations	462	
Accelerated corporate penetration	463	
Reduced corporate lifespan	463	
Acceleration of innovation and the law of accelerating returns	463	
Moore's law	465	
The virtuous circle	465	
Networks, data, analytics and new product development	466	
Innovative use of data analysis	466	
Innovative use of technology	467	
Conversational commerce	468	
Intelligent bots	469	
Personalized messaging at scale	469	
The data model is key	470	
The risk of taking humans out of the loop – poorer CX	470	
Section 9.2 summary	471	
<b>9.3 Innovative tech</b>		<b>471</b>
Marketing automation (MA)	471	
Voice search	471	
Innovative apps	471	
Section 9.3 summary	473	
<b>9.4 Artificial intelligence</b>		<b>473</b>
What is AI?	474	
AI for marketers	477	
AI in customer journeys	480	
Knowing the right questions to ask (predictive analytics)	482	
Gaming company profiles big gamblers v. loss-making bonus seekers	485	
London Fire Brigade data analytics predict fires	485	
Nationwide Car Distributor – what questions should it ask of its Big Data?	486	
Sales reps use data to boost sales	486	
Section 9.4 summary	486	
<b>9.5 Other innovative tech</b>		<b>486</b>
Virtual reality	486	
Augmented Reality (AR)	487	
AR and advertisements	488	
AR and product shopping	489	
AR and merchandising – magic mirrors	489	
AR on packaging and products	490	
Nestle Minions 70s photo filters	491	
Interactive 3D POS in a store	491	
Smart shelves	491	
Always-on shop windows	492	
3D street images through shop windows	492	
Illuminated train platforms	492	
Near field communications	492	

Beacons and proximity marketing	493	
Merchandising opportunity	494	
The Internet of Things (IoT)	494	
Section 9.5 summary	494	
9.6 <i>Change management and innovation</i>		494
Innovation process	494	
Innovation principles	495	
Innovation fears/AI fears	496	
Innovation failures	496	
Section 9.6 summary	497	
9.7 <i>Digital transformation</i>		497
Digital transformation failure	497	
Gartner® hype cycle	499	
Avoiding Jeff Bezos's "shiny object syndrome"	500	
Solutions to innovation problems	500	
AI regulation TikTok and Facebook lawsuits	500	
Section 9.7 summary	502	
9.8 <i>Innovation opportunities and solutions to AI challenges</i>		502
AI investment creates opportunities	502	
Creator marketplaces	503	
Innovative market – NFTs	503	
Innovative partnerships	504	
Cloud wars	504	
The fourth industrial revolution	505	
Final thought: innovative integration of online and offline	505	
Section 9.8 summary	505	
9.9 <i>Chapter summary</i>		505
9.10 <i>Appendices</i>		507
Develop your own chatbot	507	
Situation analysis	507	
Objectives	508	
Strategy	508	
Tactics	509	
Actions	509	
Control	512	
9.11 <i>References</i>		516
9.12 <i>Weblinks</i>		518
9.13 <i>Self-test</i>		519
10 <i>Digital marketing plan</i>		520
10.1 <i>Introduction to digital marketing planning</i>		522
Benefits of planning	523	
Many types of plans	523	
How different plans fit together	524	

Long-term plans v. short-term plans	524	
SOSTAC® planning	525	
Section 10.1 summary	528	
<b>10.2 Situation analysis</b>		<b>528</b>
What does the situation analysis include?	529	
Competitor analysis	532	
Competitor benchmarking	534	
Competitor benchmarking process	534	
Partners/comarketers and intermediaries (including marketplaces) analysis	536	
Intermediary channels (including marketplaces)	536	
Competencies analysis	537	
Performance analysis	539	
Section 10.2 summary	541	
<b>10.3 Objectives</b>		<b>542</b>
The 5Ss objectives	546	
The race approach to objectives	546	
Marketing objectives and MarComms objectives	547	
Section 10.3 summary	547	
<b>10.4 Strategy</b>		<b>549</b>
So what is a digital marketing strategy?	549	
Retrospective strategy building	550	
The key components of strategy – TOPPP SEED	551	
Experience	553	
Data	554	
Section 10.4 summary	558	
<b>10.5 Tactics</b>		<b>558</b>
The difference between strategy and tactics	558	
Digital marketing tactics	561	
Managing tactics and managing stakeholders	563	
Section 10.5 summary	563	
<b>10.6 Actions</b>		<b>565</b>
How do you ensure excellent execution?	565	
Internal marketing	566	
Section 10.6 summary	569	
<b>10.7 Control</b>		<b>569</b>
The control process	569	
The metrics	571	
Corrective action	575	
Section 10.7 summary	581	
<b>10.8 The 4Ms resources: men (and women), money (budgets), minutes (time) and mega data (data)</b>		<b>581</b>
Men and Women	581	
Money	581	
Minutes	581	
Mega data (data)	582	
Section 10.8 summary	582	

10.9 Chapter summary	583
10.10 Appendix: Huawei smartphones – digital promotional plan for the Irish market	583
Situation analysis	583
Strengths and weaknesses	585
Opportunities	585
Threats	585
Target audience	586
Objectives	586
Strategy	586
Tactics	587
Action	588
Control	588
Resources required	592
10.11 References	592
10.12 Weblinks	594
10.13 Self-test	595
Glossary	596
Index	621
