

	INTRODUCTION	7
A	ICT specialists	9
	ICT specialists	10
	ICT managers, professionals and engineers	12
	ICT technicians, installers and servicers	14
	Wages of ICT professionals	16
	Wages of ICT technicians	18
	Wages of Software developers and analysts	20
B	ICT students	21
	University students of ICT fields of education	22
	University graduates from ICT fields of education	24
C	ICT investment and expenditure	27
	ICT equipment and software investment	28
	ICT equipment investment	30
	Software investment	32
	Household expenditures on ICT equipment & services ...	34
	Household expenditures on telecommunication	36
D	ICT research and development	39
	ICT equipment and software R&D expenditures	40
	Software R&D expenditures	41
	Business R&D expenditures in ICT	42
	R&D expenditures in the ICT sector	43
	R&D personnel in the ICT sector	46
E	International trade in ICT goods	47
	ICT goods exports and imports	48
	Computer equipment exports and imports	54
	Communication equipment exports and imports	56
	Consumer electronics exports and imports	58
	Electronic components exports and imports	60
	ICT parts exports and imports	62
	Balance of cross-border movement of ICT goods	64
F	International trade in ICT services	65
	ICT services exports and imports	66
	Computer services and software exports and imports	70
G	ICT sector	73
	Employment in the ICT sector	74
	Turnover in the ICT sector	78
	R&D expenditures in the ICT sector	82
