

PRAISE FOR *COMING APART*

"I'll be shocked if there's another book this year as important
as Charles Murray's *Coming Apart*."

—DAVID BROOKS, *NEW YORK TIMES*

"Mr. Murray's sobering portrait is of a nation where millions of
people are losing touch with the founding virtues that have long lent
American lives purpose, direction, and happiness."

—*WALL STREET JOURNAL*

"*Coming Apart* brims with ideas about what ails America."

—*ECONOMIST*

"[A] timely investigation into a worsening class divide no one
can afford to ignore."

—*PUBLISHERS WEEKLY*

"[Murray] argues for the need to focus on what has made the
U.S. exceptional beyond its wealth and military power . . . religion,
marriage, industriousness, and morality."

—*BOOKLIST* (STARRED REVIEW)

"[An] incisive, alarming, and hugely frustrating book about
the state of American society."

—*BLOOMBERG BUSINESSWEEK*
