CHAPTER 1

11

General Introduction

13

CHAPTER 2

27

The effects of sediments burdened by sewerage water originating
in car batteries production in the Klenice River (CZ)

29

CHAPTER 3

43

Influence of selected methods of extraction of river sediments on results of selected
ecotoxicological tests

45

CHAPTER 4

51

Toxicity and genotoxicity assessment of sediment from selected small
streams in the Czech Republic – pilot study of less affected sites

53

CHAPTER 5

59

Induction of vitellogenin and gonadal impairment in chub
(*Leuciscus cephalus* L.) after exposure to 17 β -estradiol and testosterone

61

CHAPTER 6

67

General Discussion
