Project third edition is a five-level course for young learners aged 6-12. It is a complete course, covering all the aspects of language learning and teaching. The course is designed to be used in a variety of ways, from a traditional classroom approach to a more flexible, project-based approach. It includes a range of materials, including a Teacher's Book, a Student's Book, a Workbook, and a DVD. The course is designed to be used in a variety of ways, from a traditional classroom approach to a more flexible, project-based approach. It includes a range of materials, including a Teacher's Book, a Student's Book, a Workbook, and a DVD.

The Student Book has six units. Each unit contains eight pages of vocabulary, grammar, and pronunciation exercises. The Student Book also includes a range of activities, including games, projects, and worksheets. The Student Book is designed to be used in a variety of ways, from a traditional classroom approach to a more flexible, project-based approach. It includes a range of materials, including a Teacher's Book, a Student's Book, a Workbook, and a DVD.

The Teacher's Book has six units. Each unit contains eight pages of teaching notes, including a range of activities, games, projects, and worksheets. The Teacher's Book is designed to be used in a variety of ways, from a traditional classroom approach to a more flexible, project-based approach. It includes a range of materials, including a Teacher's Book, a Student's Book, a Workbook, and a DVD.

The Workbook has six units. Each unit contains eight pages of exercises, including a range of activities, games, projects, and worksheets. The Workbook is designed to be used in a variety of ways, from a traditional classroom approach to a more flexible, project-based approach. It includes a range of materials, including a Teacher's Book, a Student's Book, a Workbook, and a DVD.

The DVD has six units. Each unit contains eight pages of video, including a range of activities, games, projects, and worksheets. The DVD is designed to be used in a variety of ways, from a traditional classroom approach to a more flexible, project-based approach. It includes a range of materials, including a Teacher's Book, a Student's Book, a Workbook, and a DVD.

Workbook

The Workbook contains eight units, each with eight pages of exercises. The exercises are designed to be used in a variety of ways, from a traditional classroom approach to a more flexible, project-based approach. The Workbook is designed to be used in a variety of ways, from a traditional classroom approach to a more flexible, project-based approach. It includes a range of materials, including a Teacher's Book, a Student's Book, a Workbook, and a DVD.
