FOSSILS OF THE CARPATHIAN REGION

ISTVÁN FÖZY **AND** ISTVÁN SZENTE

GARETH DYKE, ENGLISH TEXT EDITOR

"An excellently written scientific book for the coffee table. The good illustrations are an incentive to start reading and dive into the wide area covered by two experts in their respective fields. . . . A rich source of otherwise not published background knowledge on the paleontology and geology of the region."

—CHRISTIAN A. MEYER,
Natural History Museum, Basel
