### ARTICLES

Correlation between metabolic depression and ecdysteroid peak during embryogenesis of the desert locust, <i>Schistocerca gregaria</i> (Orthoptera: Acrididae) — K. SLÁMA .....	141
Cold hardiness of <i>Pyrrhocoris apterus</i> (Heteroptera: Pyrrhocoridae) from central and southern Europe — P. KALUSHKOV & O. NEDVĚD .....	149
Olfactory orientation of the seven-spot ladybird beetle, <i>Coccinella septempunctata</i> (Coleoptera: Coccinellidae): Attraction of adults to plants and conspecific females — M. SCHALLER & W. NENTWIG .....	155
Adaptive preferential selection of young coccinellid hosts by the parasitoid wasp <i>Dinocampus coccinellae</i> (Hymenoptera: Braconidae) — M.E.N. MAJERUS, I.E. GEOGHEGAN & T.M.O. MAJERUS .....	161
Development of ovaries, allometry of reproductive traits and fecundity of <i>Episyrphus balteatus</i> (Diptera: Syrphidae) — E. BRANQUART & J.-L. HEMPTINNE .....	165
Male calling, mating and oviposition in <i>Isoperla curtata</i> (Plecoptera: Perlodidae) — J.M. TIERO DE FIGUEROA, J.M. LUZÓN-ORTEGA & A. SÁNCHEZ-ORTEGA .....	171
Fecundity and survival of <i>Anagyrus kamali</i> (Hymenoptera: Encyrtidae) under different feeding and storage temperature conditions — L.A. SAGARRA, C. VINCENT & R.K. STEWART .....	177
Ecological comparisons across geographical distributions: The thistle gall fly <i>Urophora cardui</i> (Diptera: Tephritidae) on two different <i>Cirsium</i> hosts — M. FRENZEL, S. EBER, S. KLOTZ & R. BRANDL .....	183
Evaluation of population densities of the common wolf spider <i>Pardosa agrestis</i> (Araneae: Lycosidae) in Hungarian alfalfa fields using mark-recapture — B. KISS & F. SAMU .....	191
A south east Asian pest species newly recorded from Europe: <i>Thrips parvispinus</i> (Thysanoptera: Thripidae), its confused identity and potential quarantine significance — L.A. MOUND & D.W. COLLINS .....	197
Revision of the Oriental genus <i>Idiotrepes</i> (Heteroptera: Nepomorpha: Helotrehidae) — M. PAPÁČEK & H. ZETTEL .....	201
Dorsal-abdominal scent glands and metathoracic evaporatoria in adults of central European Rhopalidae (Hemiptera: Heteroptera), with a discussion of phylogeny and higher systematics — J. DAVIDOVÁ-VILÍMOVÁ, M. NEJDLÁ & C.W. SCHAEFER .....	213
Larvae of Bembidiini (Coleoptera: Carabidae): Subtribes Tachyina and Xystosomina — V.V. GREBENNIKOV & D.R. MADDISON .....	223
<i>Galaicodites caurelensis</i> gen. n., sp. n., the first troglobitic species of Platynini (Coleoptera: Carabidae: Pterostichinae) from the western Palaearctic region — V.M. ORTÚÑO & J.M. SALGADO .....	241
Cladistic systematics of the genus <i>Amphimallon</i> (Coleoptera: Scarabaeidae: Melolonthinae) — O. MONTREUIL .....	253
Revision of the genus <i>Wakarumbia</i> (Coleoptera: Lycidae) — L. BOCÁK .....	271
NOTES	
Feeding site location in birch aphids (Sternorrhyncha: Aphididae): The simplicity and reliability of cues — G.W. HOPKINS & A.F.G. DIXON .....	279
Giant sperm in a Neotropical moth <i>Xenosoma geometrina</i> (Lepidoptera: Arctiidae) — E.H. MORROW .....	281
Book reviews .....	154, 176
