### Access the online resources

We have created a password-protected web page where you can find the activities, ongoing support, resources and downloadable versions of many of the figures in this book. Items that are available to download are indicated by this symbol: 

In addition, you will find a wealth of support:

- Links will take you direct to relevant information on the GA and other websites.
- Downloadable templates and tables that you can use in school.
- The complete versions of the case studies from Chapter 8.

To access the web page, please type the following URL into the address bar in your browser: [www.geography.org.uk/planningyourcurriculum](http://www.geography.org.uk/planningyourcurriculum).

You will be asked to enter a password. The unique password for this book is **DGPG21**.

Please note that you cannot get to this page through searching or via the GA website.
