NOTE ON SCOPE AND TERMINOLOGY.....	xi
FOREWORD.....	xiii
OVERVIEW. Opportunities and risks of Belt and Road transport corridors.....	1
CHAPTER 1. Connectivity, trade, and debt in the Belt and Road corridor economies.....	11
1.1 Current trade and foreign direct investment landscape.....	13
Trade in goods.....	13
Foreign direct investment.....	16
Participation in global value chains.....	18
Missing trade and FDI.....	22
1.2 Infrastructure and policy gaps.....	22
Transport and digital connectivity.....	22
Policies and institutions.....	32
1.3 The BRI's cost and financing.....	37
What is the cost of the BRI?.....	37
BRI financing.....	39
CHAPTER 2. Economic effects of BRI transport infrastructure.....	43
2.1 How much will BRI transport infrastructure projects reduce trade costs?.....	45
Quantifying the BRI's impact on shipment times and trade costs.....	48
Considering a subset of BRI projects.....	50
2.2 Impact on trade and foreign investment.....	52
Trade.....	52
Foreign investment.....	55
2.3 Impact on income, welfare, and poverty.....	57
Trade effects on aggregate income and welfare.....	57
Trade effects on poverty.....	59
Effects through foreign investment.....	60
Spatially differentiated effects of the BRI.....	61
CHAPTER 3. Complementary policies and institutions.....	65
3.1 Promoting integration.....	67
Trade and real income impact of lowering border delays.....	67
Spatial impact of lowering border delays.....	70
Tariffs and trade agreements.....	71
3.2 Policies and institutions to promote corridor development.....	73
Project development.....	73
Institutional arrangements.....	79
3.3 Promoting private sector participation.....	80
Strengthening legal protection of investments.....	82
Supporting private sector development.....	85
3.4 Promoting inclusiveness.....	87
Labor displacement and policies to speed adjustment.....	88
Territorial inequality and labor mobility.....	89
Other territorial policies.....	91
CHAPTER 4. Managing the risks.....	95
4.1 Managing fiscal risks.....	97
Fiscal risks.....	97
Policies and institutions to manage the risks.....	102
4.2 Managing governance risks.....	104
Public procurement.....	104
Corruption.....	108
4.3 Managing environmental and social risks.....	111
Direct and indirect environmental risks.....	111
Social risks associated with transport sector operations.....	120
CHAPTER 5. Shaping the Belt and Road Initiative: Policies and institutions.....	123
Policy matrix of BRI reform actions.....	126
