

# 5 FINGER MOVIE HEROINES

## 9 Fantastic Themes Arranged for Piano With Optional Duet Accompaniments

**TOM GEROU**

### Foreword

These exciting movie themes have been arranged in traditional five-finger style, with the melody split between the left and right hands, and without key signatures in the solo part. Starting hand positions are illustrated above each piece. Fingerings that are outside of the noted five-finger positions and those indicating a shift in hand position are circled ① for easy identification. Dotted quarter notes, triplets and sixteenth notes have been avoided. Leader lines in lyrics are omitted to avoid clutter. All of the melodic arrangements have optional duet accompaniments created to achieve a fuller, richer musical experience.
