Curriculum vitae

71

I, Anushka Buchhar, hereby declare that I wrote the Ph.D. thesis using results of my own research with the help of other publication mentioned which I explicitly cited.
I hereby declare that, in accordance with § 47a of the 11/1999 Coll., as amended, I agree to the publishing of my Ph.D. thesis in full version freely and in publicly accessible part of the database operated by the University of South Bohemia in České Budějovice on condition, with keeping my copyright to the original work, that I can also do it in the same electronic way, in accordance with the conditions of provision of the author's consent, i.e. used for personal needs of the author and reviewers of the thesis or for the needs of the scientific community, through the institutional communication system of writing theses and system for detecting of plagiarism.
