Wei Qi Yan Auckland University of Technology, Auckland, New Zealand.

Dr. Wei Qi Yan is an Associate Professor with the Auckland University of Technology (AUT), New Zealand; his expertise is in intelligent surveillance, deep learning, computer vision, and multimedia technology; he is the Director of Centre for Robotics & Vision at AUT. He was the Editor-in-Chief (EiC) of the International Journal of Digital Crime and Forensics (IJDCF), now the Editor-in-Chief Emeritus; he was an exchange computer scientist between the Royal Society of New Zealand (RSNZ) and the Chinese Academy of Sciences (CAS), China. He is a guest (adjunct) professor with Ph.D. supervision of the Chinese Academy of Sciences, China; he was a visiting professor of the Massey University, the University of Auckland, New Zealand and the National University of Singapore, Singapore.
