

Table of contents

Introduction	7
Sonography.....	7
Thermography.....	8
Retrospective study.....	8
The Wrist	11
The anatomical least.....	11
Numerical labelling of anatomical structures.....	11
I. Normal findings	13
1. Basic anatomical formations.....	13
2. Bursae.....	13
3. Normal sonogram findings.....	14
4. Normal thermograms.....	17
II. Cases from medical practice	18
A. Osteophytes, calcified plaques, usurpations.....	18
B. Bursae, cysts, ganglions.....	43
C. Fluid-filled mass in vagina tendinis, hydrops articularis.....	58
D. Nervous structures.....	79
E. Traumas.....	86
Hand	97
The anatomical least.....	97
Numerical labelling of anatomical structures.....	97
I. Normal findings	99
1. Basic anatomical formations	99
2. Bursae.....	99
3. Normal sonograms.....	101
Hand.....	101
Fingers.....	103
Thumb.....	105
4. Normal thermograms.....	106
II. Cases from medical practice	107
A. Palm and the dorsum of hand.....	107

B. Thumb.....	115
C. Fingers.....	134
References.....	148
