INTRODUCTION	PAGE 4
TOPICS AND LEXICAL SETS	PAGE 6
LANGUAGE FOCUS	PAGE 8
TOPIC 1 FAMILIES Children learn how to talk about their families.	PAGE 10
TOPIC 2 ANIMALS This topic introduces children to a wider range of natural features, animals and wildlife than they might encounter in the average coursebook.	PAGE 18
TOPIC 3 OUR WORLD This topic enables children to travel around the world as well as venture into outer space.	PAGE 26
TOPIC 4 CHRISTMAS This topic covers all the traditional material of the season in ways that are both fun and interesting.	PAGE 34
TOPIC 5 HOLIDAYS This topic gives children the opportunity to discuss what they enjoy doing outside school.	PAGE 42
TOPIC 6 HOW THINGS WORK From naming parts of a car to making elephants and windmills, this unit examines how things work.	PAGE 50
TOPIC 7 HEALTH AND FITNESS The body is the focus of this unit. Children talk about the food they enjoy and learn the parts of the body through puppet making.	PAGE 58
TOPIC 8 PEOPLE Children learn how to describe people from witches and thieves to their best friend!	PAGE 66
TOPIC 9 TRAVELLING Following the theme of travel this unit lets children hunt for treasure, make jigsaws and write poetry.	PAGE 74
TOPIC 10 STORIES This unit stretches children's imagination as well as their vocabulary.	PAGE 82
TAPESCRIPTS	PAGE 90
STORY SUMMARIES	PAGE 95
