The Conference which produced these papers was funded by the American Council of Learned Societies, the Ford Foundation, the Rockefeller Foundation, and the Rutgers University Research Council. We would like to thank Jason Parker, Allison Bernstein, Sheila Biddle, Alberta Arthur, and Lynn Swann for their encouragement and support. For their invaluable assistance in organizing the conference, we are grateful to Lisa Morris, Beth Hutchinson, and Arlene Nora at the Institute for Research on Women at Rutgers University, and to Deborah Koehler at the Institute for Advanced Study. Meg Gillett did yeoman work preparing the manuscript for publication, Anne Hartman was tremendously helpful in the final stages of production, and Maureen MacGrogan was a terrific editor. We appreciate the quality of their work and the generous spirit with which it was carried out.
