

	Introduction	7
A	ICT Infrastructure	9
	Fixed telephone voice subscriptions.....	10
	Mobile telephone voice subscriptions.....	12
	Telephone traffic in fixed and mobile network.....	14
	Fixed broadband subscriptions.....	18
	Mobile broadband subscriptions.....	22
	Domains under Top Level Domain .CZ	24
B	Households and digital technologies	25
	Mobile phones and a Smart TV	26
	Computers used in households	27
	Access to the internet.....	28
	Internet of Things	30
C	Persons and digital technologies	31
	Mobile phone users.....	33
	Internet users	34
	Using a mobile phone to access the internet.....	36
	Participating in social networks	38
	Internet banking	40
	Purchasing on the internet	42
	Online communication.....	44
	Reading online news sites.....	46
	Listening to music, watching videos, playing games online	48
	Use of selected smart devices.....	50
	Internet security related activities	52
	Disposing of unused phones	54
D	Enterprises and digital technologies	55
	Types and speed of Internet access.....	57
	Employees with internet access at work.....	60
	Remote access and meetings via the internet.....	62

	Enterprises' websites and their functionalities	64
	Social media.....	66
	Web sales	68
	Value of e-commerce sales	70
	Cloud computing	72
	Internet of Things and Artificial Intelligence	74
	3D printing and robotics	76
	ICT security incidents and measures.....	78
	Disposing of unused ICT	82
E	Government and digital technologies.....	83
	Czech POINT services	84
	Data Boxes	86
	Electronic tax returns.....	88
	Citizen Portal and electronic identification	89
	Citizens using internet for government-related activities.....	90
F	Education and digital skills	93
	ICT in schools	95
	Online learning activities	98
	Digital skills	100
	Students and the internet	104
G	Health and digital technologies.....	107
	ICT used by physicians	108
	Online health services offered by physicians.....	109
	Functions of e-health systems used by physicians	110
	Using the internet for seeking health-related information...	112
	Making an appointment with the physician online.....	114
	Consultation with physician, prescription order online	116
	Purchasing medicine online.....	117
