Introduction	1
A Agency and autonomy	8
What do agency and autonomy mean?	8
The role of life skills	9
The importance of agency and autonomy	10
A learning framework for developing children's agency and autonomy	11
Practical applications	
A1. Putting on coats	13
A2. Little helpers!	14
A3. Collaborative colour dictation	15
A4. Finding the page	16
A5. Choose and move	17
A6. Taking the register	18
A7. Poster project	19
A8. Picture my learning	20
Professional development	21
B Building positive relationships	23
Treating children as individuals	23
Providing a positive role model	24
Talking to children	25
Using praise and encouragement	25
Developing positive self-esteem	26
The benefits of building positive relationships	27
Practical applications	
B1. Special child day	28
B2. Pass the happy face	29
B3. Where are you?	30
B4. Jump in the air if ...!	31
B5. Collective storytelling: The enormous turnip	32
B6. Cooperative clapping: days of the week	33
B7. Mixed-up socks!	34
B8. Thank you!	36
Professional development	37
C Class puppet and communication	38
Why use a class puppet?	38
Creating a positive classroom climate	39
The learning climate	39
The behavioural climate	39

The affective climate	40
Developing communication skills	40
Classroom talk	40
Modelling language and social skills	41
Motivating children	42
How to choose a class puppet	42
Practical applications	
C1i–iii. Games with the class puppet	44
C1i. Mind reader	44
C1ii. Oh no; that's not right!	44
C1iii. The puppet says	45
C2i–iii. Circle time with the class puppet	46
C2i. Say hello to the puppet	46
C2ii. Tell the puppet	46
C2iii. New friends	47
C3. Hide and seek with the class puppet	48
C4. Creating simple stories with the class puppet	49
C5. Talking about photos of the class puppet	50
C6. The class puppet's choosing rhyme	51
Professional development	52
D Digital media and technology	54
The case against using digital media and technology	54
Potential benefits of using digital media and technology	55
Pre-academic skills and cognitive development	56
How to approach using digital media and technology	57
Practical applications	
D1. Digital art	59
D2. Virtual field trip	60
D3. Digital storytelling	61
D4. Class photographer	62
D5. Find my device!	64
D7. Virtual quiz	65
D8. Exercise time!	66
Professional development	67
E Everyday learning routines and lesson planning	69
What are learning routines?	69
How do learning routines support your teaching and children's learning?	70
How to use learning routines	71
Planning your lessons	72
Practical applications	
E1. Opening routines	75
E2. Transition routines	76
E3. Activity routines	77

E4. 'Change of mood' routines.....	78
E5. Sample lesson plan with learning routines	79
Professional development.....	82
F Finding out about the world.....	84
The benefits of using science activities	85
How to teach science activities effectively.....	86
Scaffolding techniques.....	87
Learning outcomes	88
Practical applications	
F1i–iii. Science experiments	88
F1i. Does it float or sink?	88
F1ii. Making new colours	90
F1iii. Does it stick to the magnet?	91
F2. From seed to plant	93
F3. Our five senses	94
F4. It's a treat!	96
Professional development.....	97
G Games and play.....	99
What is a game?	99
What is play?.....	99
How do games and play contribute to children's learning and development?	100
Why are games used more than play in language lessons?	101
Why is it important to also include play?.....	101
How can you achieve a balance between games and play?	101
How can you implement games and play successfully?.....	102
Practical applications	
G1i–iii. Games with flashcards and picture cards.....	103
G1i. What's gone?	104
G1ii. Flashcard mix.....	104
G1iii. Pairs	105
G2i–iii. Games with objects	106
G2i. Guess the object!.....	106
G2ii. Make a collection!	107
G2iii. Pass the object!	108
G3i–ii. Action games	109
G3i. Cumulative action game	109
G3ii. Jump to the door!	109
G4i–ii. Musical games	110
G4i. Musical instructions	110
G4ii. Musical statues	111
G5. Learning stations.....	111
G6. English learning areas	113
Professional development.....	114

H Home-school link	116
Why is the home-school link important?	116
From the parents' point of view	117
From the teacher's point of view	117
Ways to foster parental involvement and positive collaboration	118
Tips for meetings with parents	120
Practical applications	
H1. Teach it to the family!	122
H2. Taking 'My English folder' home	123
H3. Do it together!	124
H4. Look what I made!	125
H5. Home labels	126
H6. Home routines	127
Professional development	128
I Imagination and creativity	129
Big C and little c creativity	130
How to promote imagination and creativity	131
Practical applications	
I1. What happens after the story?	133
I2. Creative storytelling	135
I3. Shape pictures	136
I4. Creative circle time	137
I5. Blob paintings!	138
I6. Creative categories	139
Professional development	140
J Junk modelling, art and craft	142
Benefits of junk modelling, art and craft activities	142
Things to consider	143
Staging junk modelling, art and craft activities	144
Preparation and planning	145
Practical applications	
J1. Paper plate flower	147
J2. Binoculars	149
J3. Face puppet	150
J4. Our street	152
J5. Rainbow models	153
J6. Dinosaur park	154
Professional development	156
K Kinaesthetic learning	158
Background to kinaesthetic learning	158
The role of kinaesthetic learning in language learning	159

Practical applications	
K1. Numbers and actions	161
K2. Follow my leader	162
K3. Colour dance.....	163
K4. Swat!.....	165
K5. Roll the ball!	166
K6. Vocabulary hopscotch.....	167
Professional development.....	168
L Literacy	170
What is early literacy?	170
Early literacy and learning English	171
Practical applications	
L1. Clap, clap!	175
L2. Sounds bingo	176
L3. Literacy swat!	177
L4. Modelling clay letters.....	178
L5. Classroom labels.....	180
L6. Zig-zag book	181
L7. Rhyme time	182
Professional development.....	184
M Managing behaviour positively.....	186
Principles for managing children positively.....	186
Using the 5 P's	193
Practical applications	
M1. Attention-grabbing techniques	193
M2. Whispered instructions	194
M3. The quiet song	195
M4. Cooperation rhyme.....	196
M5. Physical break	197
M6. Musical moments	198
M7. Choosing rhyme.....	198
M8. Tidy up song	199
Professional development.....	200
N Nursery rhymes, songs and chants	202
What are the benefits of using nursery rhymes, songs and chants?.....	202
What kinds of nursery rhymes, songs and chants can you use?	205
Things to consider when selecting nursery rhymes, songs and chants	206
When is it appropriate to use nursery rhymes, songs and chants?	206
How can you teach nursery rhymes, songs and chants?.....	207
Practical applications	
N1. Nursery rhyme: Humpty Dumpty	208
N2. Finger-play rhyme: Round and round the garden	210

N3. Action song: One finger, one thumb, keep moving	212
N4. Counting song: Five little speckled frogs.....	213
N5. Story song: When Goldilocks went to the house of the bears	215
N6. Circle song and dance: Here we go Looby loo.....	217
Professional development.....	218
O Outdoor activities and projects	220
Outdoor activities	220
Outdoor projects.....	222
Practical applications	
O1. Big brown bear	224
O2. Traffic lights	225
O3. Hen, hen, fox	226
O4. Blowing bubbles	227
O5. Scavenger hunt and collage project	228
O6. Leaf print project	229
O7. Grow my garden project	231
Professional development.....	233
P Picturebooks and storytelling.....	235
Why use stories?	236
How to choose stories	237
How to use stories.....	238
How to tell stories	241
Practical applications	
P1. Picturebook: Oh dear!	242
P2. Traditional story: Goldilocks and the three bears	244
P3. Finger-play story: Freddie and Freda	247
P4. Story build: I don't want to go to bed!	249
Professional development.....	251
Q Questions and scaffolding techniques	253
The role of questions.....	253
Questioning skills and techniques.....	254
The metaphor of scaffolding.....	256
Levels of scaffolding.....	256
Scaffolding techniques	257
Practical applications	
Q1. Scaffold a story.....	259
Q2. Scaffold a topic	261
Q3. Flashcard guessing game	262
Q4. Hula hoop!	263
Q5. Animal question time	264
Q6. Song as a scaffold.....	265
Professional development.....	267

R Recycling and reviewing learning	269
Recycling	269
Learning reviews	271
Practical applications	
R1. I spy with my little eye	274
R2. Question chain	275
R3. Recycling song	276
R4. Wave your arms if	277
R5. Picture review	278
R6. Circle-time review	279
Professional development.....	280
S Social and emotional learning.....	282
What is SEL?	282
How to develop SEL.....	283
Practical applications	
S1. Self-portraits.....	287
S2. Colours and feelings	289
S3. Friendship circle	290
S4. Story choice board	291
S5. Mindful relaxation.....	292
S6. Mindful finger tracing.....	293
Professional development.....	294
T Thinking skills.....	296
What thinking skills do you need to develop?.....	296
What emergent thinking skills do young children have?	297
How can you develop children's thinking skills?	299
Practical applications	
T1. A rainbow: I see, I think, I wonder	302
T2. Six thinking hats.....	303
T3. Elvis the elf.....	305
T4. Odd one out.....	306
T5. Clothing Venn diagram	307
T6. Is it true?	308
Professional development.....	309
U Using drama techniques.....	311
The relationship between drama techniques, stories and play	311
When and how to use drama techniques.....	313
Strategies for organisation and control	316
Practical applications	
U1. Magic spells.....	317
U2. Freeze!	318
U3. Dancing groups	319

U4. Butterfly!.....	319
U5. Story drama	320
U6. Imaginary walk	322
Professional development.....	323
V Values education.....	325
What are values?	325
What is values education?.....	326
Strategies for developing values	326
Values-related activities	328
Practical applications	
V1. A value a month	330
V2. I can do it!	331
V3. Do you want a ... ?	332
V4. Thought tunnel.....	333
V5. Row your boat!.....	334
V6. Values story	335
Professional development.....	337
W Words and chunks.....	339
Learning words	339
Learning chunks	341
The way you use language in class	342
Practical applications	
W1. Changing places	344
W2. Magic eyes	345
W3. Repeat if it's true!.....	346
W4. Choose the words!	347
W5. Chunk chant	348
W6. Noticing plurals.....	349
Professional development.....	350
X Xsisting in a diverse world.....	352
Inclusion.....	352
Interculturality	354
Multilingualism	355
Practical applications	
X1. Diversity patchwork.....	357
X2. Hello chant	358
X3. Counting song exchange	360
X4. Rock, paper, scissors.....	361
X5. Things in common	362
X6. Collaborative problem solving	364
Professional development.....	365

Y Young children and assessment	367
Why is it important to assess children's learning?	367
What aspects of children's learning need to be assessed?	368
When does assessment take place?.....	368
Who carries out assessment?	369
How can you assess children's learning?.....	369
Practical applications	
Y1. Story observation checklist.....	373
Y2. General observation checklist	374
Y3. My English folder	376
Y4. Video review	377
Y5. Which puppet is right?.....	378
Y6. Find the ...!.....	379
Professional development.....	380
Z Zzzz and Zest: looking after your wellbeing.....	382
The concept of wellbeing	382
Challenges to your wellbeing	383
Reasons to look after your wellbeing	384
How to look after your wellbeing	385
Practical applications	
Z1. Gratitude journal.....	387
Z2. Acts of kindness	388
Z3. Three things that went well.....	388
Z4. Teacher buddy.....	389
Z5. Why I love my job	390
Z6. Recharging your battery	390
Z7. Thought in the shower	391
Z8. Instant stretching	391
Professional development.....	392
Activity worksheets	394
E5. Find the little frogs activity sheet.....	394
F1i. Does it float or sink activity sheet.....	395
F1ii. Circular colour sums activity sheet	396
F2. Plant story activity sheet.....	397
F3. Our five senses activity sheet.....	398
F4. Everyday food and treats activity sheet.....	399
I3. Shape pictures activity sheet	400
J3. Face puppet guidance sheet	401
N1. Humpty Dumpty puzzle sheet	402
N4. Counting song activity sheet.....	403
Suggested further reading	404
Glossary	405
Index.....	410
