EXTENDED ABSTRACT6

ROZŠÍŘENÝ ABSTRAKT8

1. INTRODUCTION10

1.1 Background10

1.2 Research problem11

1.3 Objectives of the study12

2. RESEARCH MODEL AND HYPOTHESES12

2.1 Development of conceptual framework12

2.2 Hypotheses development14

2.2.1 Socio-psychological antecedents and CET14

2.2.2 Economic and political antecedents and CET15

2.2.3 Controlling variables, CET and domestic brand equity15

2.2.4 CET and domestic brand equity16

3. METHODOLOGY16

3.1. Research design16

3.2. Exploratory study17

3.3. Main study17

3.3.1. Developing survey instrument17

3.3.2. Sample design18

3.3.3. Data collection20

3.3.4. Data analysis techniques20

4. DATA ANALYSIS21

4.1 Preparation of data21

4.2 Sample characteristics21

4.3 Descriptive statistics22

4.4 Exploratory factor analysis22

4.5 Empirical testing of measurement model23

4.6 Confirmatory factor analysis (CFA)24

4.7 Empirical results of final structural model27

4.8 Analysis of moderating influences27

4.9 Hypotheses testing28

5. CONTRIBUTION OF THE STUDY32

5.1 Gain for scientific knowledge32

5.2 Gain for practical knowledge34
