Acknowledgements		viii
one	Introduction	I
	Poor areas, poor families	3
	Two hundred families	6
	A decade of targeted efforts	10
	Outline of the book	11
	Mining the evidence	13
two	Family roles in community matters	17
	Introduction: Community spirit	17
	Can families influence what happens?	18
	Community involvement: <i>"Lots to do here"</i>	23
	Neighbours: <i>"I actually try and help people"</i>	25
	Voluntary work strengthens community ties	26
	A helping hand: <i>"Something that touches us"</i>	28
	Problems with involvement: <i>"Only looks good on the surface"</i>	32
	Troubling barriers to community spirit: <i>"There's no longer that nice balance"</i>	32
	Overcoming the barriers: <i>"Somewhere for people just to chill out"</i>	38
	Sure Start and community involvement: <i>"The Sure Start programme is absolutely wonderful"</i>	42
	Summary and conclusions	48
three	Schools in communities	53
	Introduction: Why schools matter	53
	Parents' experiences of local schools	54
	The benefits of local schools	57
	Secondary schools: the big challenge	60
	Segregated schools: <i>"No community mix"</i>	72
	Special learning difficulties: <i>"He's in his own world"</i>	77
	Summary and conclusions	82
four	Young people, space, facilities and activities	87
	Introduction: <i>"Letting off steam"</i>	87
	Children and young people's need for space and leisure activities	88
	Why informal outdoor play and activity are difficult in disadvantaged neighbourhoods	94

	Pressures on space: <i>"All been built up"</i>	100
	Too few, too expensive facilities: <i>"There's a huge need"</i>	101
	Helping children and young people get involved	115
	Summary and conclusions	119
five	Preventative policing, community safety and community confidence	123
	Introduction: Crime and fear	123
	General crime and safety in the neighbourhoods	124
	Families witness crime	128
	Neighbourhood wardens	131
	Police Community Support Officers	134
	Difficult tensions between community policing and law enforcement	140
	The limits of local anti-crime initiatives: <i>"We need more visible proper police"</i>	142
	Neighbourhood Watch	145
	The families' views on Anti-social Behaviour Orders: <i>"People need support, not a label"</i>	147
	Does crime prevention work?	149
	Summary and conclusions	150
six	Family health and neighbourhood conditions	155
	Introduction	155
	Ill health and local services	156
	Do neighbourhoods affect health?	159
	Health and lifestyle: <i>"Really abusive"</i>	160
	Chronic illness: <i>"More medication"</i>	162
	Stress, anxiety and depression	166
	Neighbourhood conditions and health problems: <i>"I need to get away from this noisy place"</i>	170
	Family pressures and mental health	176
	Summary and conclusions	180
seven	Families move into work: skills, training and tax credits	187
	Introduction	187
	Where families started from	188
	Low-paid jobs and parenting	193
	How work changed over the course of our visits	194
	Training and studying	197
	How families' lives changed through training and jobs: <i>"They've improved job prospects"</i>	198
	Barriers to training: <i>"I was frustrated"</i>	201
	Introduction of tax credits: <i>"I have got to pay them back"</i>	205

	Confusion in the system: <i>"They've got it all wrong"</i>	206
	The stress of overpayments and loss of tax credits: <i>"Spend it before they could take it back"</i>	209
	A mixed blessing, but on balance tax credits helped: <i>"It's good to work though"</i>	211
	Helping parents work: <i>"I can't survive without them"</i>	215
	Parents need a clearer and more generous system: <i>"It's targeting the most vulnerable of society"</i>	217
	Summary and conclusions	219
eight	Housing and regeneration	225
	Introduction	225
	Council landlords and other tenures	226
	Owning or renting a home	228
	Housing conditions	229
	Upgrading social housing – the Decent Homes Programme: <i>"You need a decent home"</i>	232
	Local environment: <i>"The areas we all share"</i>	237
	Facelift scheme to upgrade street facades: <i>"Improved a lot"</i>	238
	Social problems and housing: <i>"They should get their priorities right"</i>	240
	Access to housing	242
	Paedophiles: <i>"One moved to a high-rise block here"</i>	245
	Regeneration and the impact of demolition: <i>"More far reaching than you think"</i>	247
	Gentrification: <i>"People who won't mingle"</i>	254
	New Deal for Communities	255
	Summary and conclusions	261
nine	How the areas are changing	265
	Introduction: <i>"Getting better slowly"</i>	265
	How parents' views of their neighbourhoods changed over 10 years	267
	The parents' sense of direction	268
	Biggest marks of progress	271
	Low-income areas are part of the wider city: <i>"It's not just been forgotten"</i>	273
	A long way still to go: <i>"It just looks like a down-and-out area now"</i>	277
	Summary and conclusions	287
	Family futures	287
