

## Content

About the author .....	4
Preface .....	5
1. Nanotechnology in polymer science .....	6
2. Polymer-clay nanocomposites .....	8
2.1 Montmorillonite .....	9
2.2 Intercalation by ion-exchange method.....	12
2.3 Exfoliation methods .....	15
3. Characterization of polymer nanocomposites .....	21
3.1 Off-line structural characterization.....	22
3.2 On-line & in-line structural characterization .....	26
4. Viscoelasticity of polymer nanocomposites .....	31
Summary.....	35
References .....	37
Abstract.....	40
Abstrakt.....	40
