## **PART 1 FOUNDATIONS OF QUALITATIVE RESEARCH** 1

### **1 Why and How to Do Qualitative Research** 3

The Relevance of Qualitative Research	3
Research Questions as a Starting Point	4
Limitations of Quantitative Research	5
Essential Features	6
A Brief History of Qualitative Research	8
Qualitative Research at the End of Modernity	12
New Challenges: Diversity and Decolonizing Qualitative Research	12
Subjectivity and Identity in Doing Qualitative Research	13

### **2 The Qualitative–Quantitative Distinction** 17

Relations of Qualitative and Quantitative Research	17
Mixed-methods Research	21
Quantitative and Qualitative Methods in Indigenous Research	22
Methods' Appropriateness as a Point of Reference	22

### **3 Theoretical Frameworks** 27

Positivism	27
Constructionism	28
Construction of Knowledge	29
Feminism and Intersectionality	30
Gender and Queer Studies	31
Research Perspectives	33
Symbolic Interactionism	33
Ethnomethodology	36
Structuralist Models	38

Decolonization and Indigenous Research Methods	39
Rivalry of Paradigms or Triangulation of Perspectives	41
Common Features of the Different Positions	42
<b>4 Methods and Data in Qualitative Research</b>	<b>47</b>
Research Programmes in Qualitative Research	47
Major Methods and Types of Data	50
Indigenous and Decolonizing Qualitative Research	52
General Issues	53
<b>5 Subjectivity, Identity and Texts in Qualitative Research</b>	<b>58</b>
Subjectivity and Identity – on Both Sides	58
Text and Realities	60
Text as World Making: First-degree and Second-degree Constructions	60
Social Constructions as Starting Points	61
Interpretation and Social Construction: Biography and Narrative	62
<b>PART 2 RESEARCH DESIGN</b>	<b>69</b>
<b>6 Formulating a Research Question</b>	<b>71</b>
Origins of Research Questions	71
Cutting Questions to Size	73
Specifying an Area of Interest and Delimiting the Issue	73
Sensitizing Concepts and the Triangulation of Perspectives	75
Types of Research Questions	76
Good and Bad Research Questions	78
Research Questions and Practice	79
Research Questions in Indigenous and Decolonizing Research	80
<b>7 Choosing and Constructing the Research Design</b>	<b>85</b>
How to Plan and Construct Designs in Qualitative Research	85
The Six F's of Designing Qualitative Research	90
Qualitative Online Research	91
Basic Designs in Qualitative Research	94
Case Studies	94
Comparative Studies	95
Retrospective Studies	97
Snapshots: Analysis of State and Process at the Time of the Investigation	99
Longitudinal Studies	100
Starting Points for Selecting a Research Design	101
Criteria-based Comparison of the Approaches	102
Designing Qualitative Indigenous Research	104
Research Designs – How to Choose	105
<b>8 Planning the Process in Qualitative Research</b>	<b>109</b>
Research as Linear Process	109
The Concept of Process in Grounded Theory Research	110

Linearity and Circularity of the Process	111
Theories in the Research Process as Versions of the World	112
The Research Process in Qualitative Research in General	114
Planning Indigenous Qualitative Research	115
<b>9 Ethics of Doing Qualitative Research</b>	<b>119</b>
The Need for Ethics in Research	119
Codes of Ethics	120
Ethics Committees	122
How to Act Ethically	123
Data Protection	126
Qualitative Research Ethics – Necessary for Better Research	132
<b>10 Using the Existing Literature</b>	<b>136</b>
How and When to Use the Literature	136
How to Use the Theoretical Literature	137
How to Use Theories	137
How to Use the Empirical Literature	138
How to Use the Methodological Literature	139
Using Literature in Culturally Sensitive Research	140
How to Use the Literature When Writing about Your Study	140
Where to Search the Literature	141
How to Search the Literature	141
<b>11 Access, Field Relations and Participatory Research</b>	<b>145</b>
Relations in the Field	145
The Problem of Access	145
Role Definitions When Entering an Open Field	146
Access to Institutions	147
Access to Individuals	148
Strangeness and Familiarity	149
Strategies for Gaining Access – Examples	151
Access and Recruiting for Qualitative Online Research	152
Involvement and Participation of Members in Indigenous Research	152
Participation as Methodological Approach	154
<b>12 Sampling</b>	<b>159</b>
Frameworks of Sampling for Data Collection	159
Defining the Sample Structure Beforehand	160
Defining the Sample Structure Step by Step	161
Sampling Step by Step as a General Principle	164
Purposive Sampling	165
Snowball Sampling	166
Aims of Sampling: Width or Depth?	167
Case Constitution in the Sample	167
Sampling Decisions in the Research Process	168
Sampling in Indigenous Research	170

<b>13 Qualitative Designs with Multiple Methods</b>	<b>173</b>
Triangulation	173
Triangulation Step by Step	175
Issues Arising from Applying Triangulation	179
Triangulation as Systematization of Qualitative Methods	180
Mixed Methods	180
Mixed Methods in Indigenous and Decolonizing Research	186
New Concepts of Combining Approaches in/with Qualitative Research	187
<b>PART 3 VERBAL DATA</b>	<b>191</b>
<b>14 Collecting Verbal Data</b>	<b>193</b>
What Are Verbal Data?	193
Why Verbal Data? Aims and Target Groups	193
Types of Verbal Data	194
What Are Interviews?	196
What Characterizes Narratives?	196
What Are Focus Groups?	196
Starting Points for Selecting an Approach for Collecting Verbal Data	196
Collecting Verbal Data: Selecting a Form of Interviewing	198
<b>15 Doing Interviews</b>	<b>203</b>
How to Conduct Interviews	203
Interviewing as Constructing a Framework for Listening	205
The Focused Interview	206
The Semi-standardized Interview	211
The Problem-centred Interview	216
Expert and Elite Interviews	220
The Ethnographic Interview	225
Mobile Interviewing	226
Online Interviewing	226
How to Analyse Interviews	230
Criteria-based Comparison of the Approaches	231
<b>16 Doing Focus Groups</b>	<b>237</b>
Group Interviews	237
Group Discussions	238
Focus Groups	244
Online Focus Groups	247
Focus Groups in Decolonizing, Critical and Indigenous Research	250
How to Analyse Focus Groups	250
Criteria-based Comparison of the Approaches	253
<b>17 Using Narrative Data</b>	<b>258</b>
Narratives: Why and How? Backgrounds and Approaches	258
The Narrative Interview	259
The Episodic Interview	266

Between Biography and Episode	272
Joint Narratives	272
Criteria-based Comparison of Narrative Approaches of Collecting Data	274
How to Analyse Narratives	274
Small Narratives and Constructionist Analysis	279
Narrative Research Methods in Indigenous Postcolonial Research	280
<b>PART 4 DATA BEYOND TALK</b>	<b>285</b>
<b>18 Collecting Data Beyond Talk</b>	<b>287</b>
Aims of Collecting Data Beyond Talk	288
Types of Data Beyond Talk	288
What is Observation?	288
What is Participant Observation?	289
What is Ethnography?	289
What is Virtual Ethnography?	290
What is Visual Qualitative Research?	290
What Are Documents?	291
What Are Digital Data?	292
Starting Points for Selecting an Approach for Collecting Data Beyond Talk	292
<b>19 Observation and Ethnography</b>	<b>299</b>
Observation	299
Participant Observation	303
Ethnography	309
Writing Field Notes	313
Virtual Ethnography	315
Criteria-based Comparison of the Approaches	320
Analysing Observations and Ethnographies	320
<b>20 Visual Data: Photography, Film and Video</b>	<b>325</b>
Photographs as an Instrument and Object of Research	325
Film Analysis as an Instrument of Research	333
Video Analysis in Qualitative Research	336
Criteria-based Comparison of the Approaches	339
<b>21 Documents as Data and Secondary Data Analysis</b>	<b>345</b>
What Characterizes Documents?	346
Using Documents as Data: More than Textual Analysis	347
Selecting Documents	348
Constructing a Corpus	348
The Practicalities of Using Documents	349
How to Analyse Documents	351
Analysing Internet Documents	352
Secondary Analysis of Existing Qualitative Data	354

<b>22 Digital and Social Media Research</b>	<b>361</b>
Social Media and Their Relevance	361
Research Questions in Social Media Research	362
How to Plan and Construct Designs in Qualitative Social Media Research	363
Data for (Qualitative) Social Media Research	364
Collecting Digital and Social Media Data with Qualitative Methods	365
Using Twitter for Qualitative Research	366
Using Facebook for Qualitative Research	369
Using Blogs for Qualitative Research	372
Collecting Digital Data with Smartphones	376
Combining Virtual and Traditional Qualitative Research Methods	377
Methodological Issues	378
Big Data as a Challenge and a Threat for Qualitative Research	378
Criteria-based Comparison of the Approaches	379
<b>PART 5 QUALITATIVE DATA ANALYSIS</b>	<b>383</b>
<b>23 Analysing Qualitative Data</b>	<b>385</b>
Aims of Qualitative Data Analysis	385
What is Qualitative Data Analysis?	386
Data Management	387
Using Naturally Occurring or Elicited Data	387
Methods or Data as Points of Reference	387
What is Coding?	388
What is Sequential Analysis?	388
What is Interpretation?	390
Starting Points for Selecting an Approach for Qualitative Data Analysis	391
Criteria-based Comparison of the Approaches	391
Methods of Qualitative Data Analysis – How to Choose	394
<b>24 Transcription and Data Management</b>	<b>398</b>
Technological Progress and Problems of Recording Data	399
Research Diaries	400
Documentation Sheets	401
Transcription	402
Reality as Text: Text as New Reality	405
Transcripts and Data in Indigenous Research	406
Data Management	407
<b>25 Grounded Theory Coding</b>	<b>412</b>
Grounded Theory Methodology	412
Key Steps towards Grounded Theory Analysis	413
Grounded Theory Analysis	415
Grounded Theory Coding: Ways and Versions	417
Which Approach to Choose?	426
Grounded Theory Coding: Integrated Approach or Starting Point?	429

<b>26 Thematic Coding and Content Analysis</b>	<b>434</b>
Thematic Coding	434
Thematic Analysis	440
Qualitative Content Analysis	443
Criteria-based Comparison of Approaches	450
<b>27 Analysing Naturally Occurring Data: Conversation and Discourse</b>	<b>455</b>
Using Naturally Occurring Data	455
Conversation Analysis	456
Discourse Analysis	460
Objective Hermeneutics	465
Interpretive Research in Decolonizing Studies	469
Criteria-based Comparison of Approaches to Naturally Occurring Data	469
<b>28 Using Software in Qualitative Data Analysis</b>	<b>474</b>
New Technologies: Hopes, Fears and Fantasies	474
Ways of Using Software and Computers in Qualitative Research	476
Why Use Software for Analysing Qualitative Data?	476
History and State of Development of QDA Software	477
Software for Analysing Qualitative Data: How to Choose?	477
Examples: ATLAS.ti, NVivo and MAXQDA	479
How to Use Software in Qualitative Research	481
Software's Impact on Qualitative Research: Examples	482
More Recent Developments: CAQDAS 2.0	483
<b>PART 6 GROUNDING, WRITING AND OUTLOOK</b>	<b>487</b>
<b>29 Quality of Qualitative Research: Criteria and Beyond</b>	<b>489</b>
Selective Plausibilization	489
Reliability	490
Validity	492
Objectivity	495
Classical Criteria in Qualitative Research?	495
Alternative Criteria	496
Traditional or Alternative Criteria: New Answers to Old Questions?	502
Quality Assessment as a Challenge for Qualitative Research	503
Quality Criteria or Strategies of Quality Assurance?	504
Strategies of Generalization in Qualitative Research	504
Process Evaluation and Reflexivity	507
Research Steps and Methods: Rules of Thumb and Key Questions	508
Indication for Qualitative Research	510
Quality Management	511
<b>30 Writing Up and Assessment in Qualitative Research</b>	<b>516</b>
Writing and Reporting in Decolonizing Qualitative Research	516
Reflexive Function of Writing	517
Dissolution of Social Science into Styles of Writing?	518

Pragmatic Function of Writing: Presentation of Results	518
Legitimizing Function of Writing	522
Making Qualitative Research Relevant	524
Preparing a Viva and Assessment Based on Qualitative Research	524
