Index 379

Phanlin Barber is Reader in Sociology and Social Administration at the University of Birmingham. She is the author of 'Oriental' Identities in Super-Diverse Britain: Young Vietnamese in London (2015). Her articles have been published in the Journal of Ethnic and Migration Studies, Gender, Place and Culture, Identities and the Journal of Immigration, Asylum and Nationality Law. Her recent projects have been funded by the British Academy, Newton Fund and Global Challenges Research Fund.

Leslie Barnes is Ethel Tory Associate Professor of French at the Australian National University in Canberra, Australia. She is the author of Vietnam and the Colonial Condition of French Literature (2014) and co-editor of The Cinema of Rithy Panh: Everything Has a Soul (2021). She is currently finishing a book on literary and cinematic narratives that engage with questions of sex work, mobility and human rights in Cambodia and Vietnam. She has published on these topics in Humanity, Screening the Past and Contemporary French and Francophone Studies.

Julia Behrens is a Post-Doctoral Fellow in Social Anthropology at the University of Bielefeld, Germany. She completed her PhD research in Southeast Asian studies at Humboldt University, Berlin, in 2022. Her research focused on the understanding of sustainable development, NGO practices and power relations in Vietnam. Behrens spent parts of her studies at the University for Social Sciences and Humanities in Vietnam and the University of Glasgow in the UK. She is actively seeking to bring academic knowledge to wider societal contexts.
