2.2.2 View from the other side .....	45
2.2.3 Peculiarities of evaluation of technical inquiry activities .....	47
<b>3 Analysis of teaching methods .....</b>	<b>50</b>
3.1 Subject of investigation.....	50
3.2 What we know about paper .....	51
3.3 Properties of textile materials .....	62
3.4 Properties of paper and cardboard.....	71
<b>4 Qualitative methodology as a basis for the implementation of investigation of inquiry-based teaching.....</b>	<b>81</b>
4.1 Research problem.....	82
4.2 Research objective and research questions .....	83
4.3 Methodology of the conducted investigation .....	83
4.4 The research sample.....	87
4.5 Realization of the research.....	87
4.6 Analysis and interpretation of data from essays .....	89
4.6.1 Research results and their interpretation.....	97
4.7 Research findings .....	102
