

I. INTRODUCTION	4
Focus of the survey	7
International students at Czech higher education institutions	9
II. METHODS AND ANALYTICAL PROCEDURE	18
Classification criteria	21
III. DESCRIPTION OF RESPONDENTS	24
IV. PROMOTION OF CZECHIA AND CZECH HIGHER EDUCATION ABROAD	40
Reasons for studying in Czechia	42
Other countries under consideration	54
Awareness of studying in Czechia	57
Reasons for choosing a higher education institution	64
Summary	73
V. PRE-ARRIVAL SUPPORT OF INTERNATIONAL STUDENTS	74
Admissions procedure	76
Visa process	80
Process of recognition of prior learning	87
Communication with institutions	89
Summary	90
VI. QUALITY OF DEGREE PROGRAMMES AT CZECH HIGHER EDUCATION INSTITUTIONS	92
Quality of degree programmes	94
Evaluation of degree programmes	96
Teaching methods	100
Satisfaction with the quality of teachers	102
Evaluation of the choice of studies	105
Recommending studies in Czechia to others	110
The quality-price ratio of the degree programme	116
Summary	117

VII. SERVICES AND LIVING CONDITIONS	118
Information services at higher education institutions	120
Integration services at higher education institutions	122
Infrastructure services at higher education institutions	127
Accommodation during studies	129
The quality-price ratio of services	132
Working while studying	134
Integration of international students	136
Inappropriate behaviour	140
Plans for the future	145
Summary	151
VIII. STUDENTS' FINAL COMMENTS AND MESSAGES	154
IX. REGIONAL DIFFERENCES	160
Slovakia	162
Russia	163
Western Europe	164
EU – Eastern Europe	166
Eastern and Southeastern Europe	167
East Asia	168
Central Asia	169
South and Southeast Asia	170
The Middle East	171
Africa	172
Latin America	173
North America	174
X. MAIN FINDINGS	176
Promotion of Czechia abroad	178
Pre-arrival support of international students	179
Quality of degree programmes at Czech higher education institutions	180
Services and living conditions	181
XI. BIBLIOGRAPHY AND SOURCES	184
