

Content

Late Paleozoic Trachyandesite exposed at the Świerki quarry M. Allcorn, M. Foucher, M. Petronis, M. Awdankiewicz, S. Poppe.....	7
The role of the Saudi Geological Survey to develop geoparks of monogenetic volcanic fields such as the Aspiring Khaybar UNESCO Global Geopark, Kingdom of Saudi Arabia M. Ashor, A. Sowaigh, K. Németh, F. A. Moqem.....	9
Volcanotectonic structures and lineament identification in Bolnisi ore district, Southeast Georgia I. Avkopashvili, A. Magalashvili.....	11
Handling Geoheritage in Conflicted Areas H. Delgado Granados.....	13
Geotourism in Kamchatka Region (Russia): main directions and dynamics in 2015-2023 A.A. Dolgaya, O.V. Bergal-Kuvikas, K. Németh.....	15
Windows into the history of Earth – a journey through time in the “Steirisches Vulkanland” (Austria) I. Fritz.....	17
Mineral type localities in Neogene volcanic areas of Romania and their geoheritage significance Á. Gál, A. Szakács, M. Kovacs, C. Ionescu.....	19
Documenting Geological Research in Northern Bohemia T. Garcia, M. Petronis, M. Awdankiewicz, V. Rappich, F. Tomek.....	21
Multidisciplinary Earth Science research as key to enrich geoheritage of a globally significant inverted monogenetic volcanic landscape: Bakony- Balaton UNESCO Global Geopark, Hungary M. Hencz, K. Németh, T. Spránitz, M. Berkesi.....	23
Visiting ocean-island volcanoes in the heart of continent: overlooked volcanic geosites in NE Czechia J. Jirásek, D. Matýsek, V. Rappich.....	25
Geological history of Jičín area and volcanoes in Czech paleo-art reconstructions M. Košťák.....	27
Geosite assessment in a volcanic area. Case study: Miocene Gutâi Volcanic Zone, NW Romania M. Kovacs, A. Szakács, I. Denut, Á. Gál.....	29
Conservation, protection and promotion of the geological heritage in the Catalan Pyrenees (NE Spain) J. Martí, Ll. Planagumà, G. Aguirre-Díaz.....	31

Mineralized woods in Czech mafic alkaline volcanoclastic deposits: challenging natural treasures	
J. Mysliveček, V. Koutecký, J. Sakala, V. Rapprich.....	33
Geoheritage and geodiversity of one of Earth's largest Neoproterozoic mega-caldera fields on the Arabian Shield, Kingdom of Saudi Arabia	
K. Németh, M.R. Moufti, A. Sowaigh, M. Ashor, F.A. Moqem.....	35
Volcanic and Tectonic Applications of Paleomagnetism	
M. Petronis, V. Rapprich, M. Awdankiewicz, F. Tomek.....	37
Management of geological heritage in protected volcanic natural spaces as a territorial planning tool: The case of the Garrotxa volcanic field)	
Ll. Planagumà, J. Martí, J. Vila-Subirós.....	39
Inspiration from volcanic geoheritage to volcanic hazards communication	
V. Rapprich, M. Lisec.....	41
Identifying and characterizing distinct eruptive phases of Vinařická hora, Czech Republic	
L. Romero, M.S. Petronis, V. Rapprich.....	43
Simple plumbing system of a scoria cone filled by lava lake: the mythical Říp Hill (central Bohemian Massif)	
F. Tomek, J. Černý, L. Pospíšil, M. Lutovský, P. Vitouš.....	45
Geological precincts as natural geoeducation concepts of the Salma Aspiring UNESCO Global Geopark (aUGGP): Kingdom of Saudi Arabia	
H. Turki, K. Németh, M.R. Moufti.....	47
Volcanoes as a part of the database "Important Geological Localities of the Czech Republic" and the animations of their origin	
M. Vajskebrová.....	49
Overview of the Volcanic Geoparks in China	
J. Xu, X. Chen, H. Wei.....	51
Digital tools and social media outlets of the Novohrad-Nógrád UNESCO Global Geopark (Hungary – Slovakia) to promote volcanic geoheritage and crossborder geotourism in a dormant monogenetic volcanic field	
V. Zakharovskyi, T. Sági, K. Németh.....	53
The geological heritage of an active Quaternary volcanic complex: Case of Cameroon Volcano	
G. Zangmo Tefogoum, M. Gountié Dedzo, D. Guimolaire Nkouathio, A. Kagou Dongmo, H.Z. Nouhou Dama.....	55
Field-trip 1: Lusatian Volcanic Field	
V. Rapprich, J. Mysliveček, R. Nádaskay.....	57
Field-trip 2: Volcanic Geoheritage of the Bohemian Paradise Geopark	
V. Rapprich.....	63
