Introduction 69

Wellbeing strategy 70

Personal resilience 75

Stress 76

Trauma 79

The Resilience Prescription 79

Wellbeing and engagement 80

Training programmes 89

Training providers 91

Course content 92

Summary 100

Key takeaways from this chapter 100

References 103

**4 Problems and pitfalls 107**

Introduction 107

Focus 108

Mindset 110

Management by metrics 111

Sporting analogy 113

Flow 115

Culture 116

Change readiness 123

Stigma 124

Summary 127

Key takeaways from this chapter 128

References 130

**5 Monitoring and evaluating 133**

Introduction 133

Strategy 134

Ethics 139

Measurement 140

Data 145

Effectiveness 146

Efficiency 147

Productivity 147

Performance 148

Happiness 148

Evaluation 150

Summary 151

Key takeaways from this chapter 153

References 157

## **6 Tools and legislation 161**

Introduction 161

Tools 163

Good practice 170

Legislation 174

Summary 178

Final key takeaways and considerations 179
