	<i>Glossary of terms</i>	392
	<i>Index</i>	405

Dario Azzellini is Professor in Development Studies at Universidad Autónoma de Zacatecas, Mexico, and Visiting Fellow at the Latin American Studies Program of Cornell University. He received his PhD in political science from Goethe University Frankfurt, Germany, and his PhD in sociology from Benemérita Universidad Autónoma de Puebla, Mexico. He has lectured in development sociology at Cornell University and was assistant professor at Johannes Kepler University, Linz, Austria. He has published more than 20 books, numerous other writings, and made 11 documentary films in the areas of critical labour studies and global social change with a special focus on Latin America and Europe, including *Commons and Workers' Control in Venezuela: Building 21st Century Socialism from Below* (2017); *They Can't Represent Us: Reinvigorating Democracy from Gmex to Occupy* (2014); *The Class Struggle Back: Self-Organized Workers' Struggles in the Twenty-First Century* (2018); and *Class in Motion and to Ours: Workers' Control from the Caribbean to the Present* (2011). Much of his work is available at: www.azzellini.net.

David Barkin is Distinguished Professor at the Universidad Autónoma Metropolitana (UAM), Xochimilco Campus, Mexico City and was a founding member of the Ecodevelopment Centre, created by the Mexican Science and Technology Council as an independent research organisation. He was a recipient of the National Prize in Political Economy in 1979 for his analysis of relations in Mexico. He was elected to the Mexican Academy of Sciences in 2005.
