Illustrations

Figures

2	1. Index map
3	2. Correlation of Lower Carboniferous formations, southwestern Alberta and northeastern British Columbia.
in pocket	3. Northwest-southwest reconstructed cross-section, Lower Carboniferous, Monkman Pass area, northeastern British Columbia.
4-5	4. Zonal distribution of major elements of Lower Carboniferous microbiota, Monkman Pass area.

Plates

57-81	1-12. Illustrations of fossils.
82-93	13-18. Illustrations of rock types.
