TABLE OF CONTENTS	7
FOREWORD	15
INTRODUCTION	19
1 ON THE INDO-EUROPEAN OBSTRUENTS, EXAMINED CLUSTERS AND USED METHODS	21
1.0 Introductory remarks	21
1.1 Indo-European obstruents	22
1.1.1 Indo-European plosives I: the modal classes	22
1.1.2 Indo-European plosives II: the localization series	24
1.1.3 Indo-European obstruents: the list	29
1.2 Segments and contexts	30
1.3 On trajectories of the development in general	30
1.4 On language material and its analysis	32
2 THE INDO-IRANIAN DEVELOPMENT	35
2.0 Indo-Iranian languages	35
2.1 On the reconstruction of the Indo-Iranian development	35
2.2 The Vedic development	37
2.2.1 Clusters of <i>labial plosive</i> + <i>t/d^h/s</i>	38
2.2.2 Clusters of <i>velar/palatal plosive</i> + <i>t/dh/s</i>	41
2.2.3 Clusters of <i>palatovelar plosive</i> + <i>t/d^h/s</i>	42
2.2.4 Clusters of <i>dental plosive</i> + <i>t/d^h/s</i>	45
2.2.5 Clusters of sibilant + <i>t/dh/s</i>	49
2.2.6 The overview of attested Vedic alternations	51
2.3 The Avestan development	50
2.3.1 Clusters of <i>labial plosive</i> + <i>t/dh/s</i>	52
2.3.2 Clusters of <i>velar/palatal plosive</i> + <i>t/d^h/s</i>	52
2.3.3 Clusters of <i>palatovelar plosive</i> + <i>t/d^h/s</i>	54

2.3.4	Clusters of <i>dental plosive</i> + <i>t/d^h/s</i>	56
2.3.5	Clusters of <i>sibilant</i> + <i>t/d^h/s</i>	57
2.3.6	The overview of the Avestan development	59
2.4	The Old Persian development	59
2.5	The Nuristâni development	62
2.6.1	Modelling the Indo-Iranian obstruent phonemes	67
2.6.2	Towards the analysis of the Indo-Iranian clusters	69
2.6.3	The cluster-forming and Bartholomae's Law	70
2.6.4	The trajectories of the clusters <i>labial plosive</i> + <i>t/s/d^h</i>	73
2.6.5	The trajectories of the clusters <i>velar plosive</i> + <i>t/s/d^h</i>	76
2.6.6	The trajectories of the clusters <i>palatovelar plosive</i> + <i>t/s/d^h</i>	78
2.6.7	The trajectories of the clusters of <i>dental plosive</i> + <i>t/s/d^h</i>	87
2.6.8	The trajectories of the clusters of <i>sibilant</i> + <i>t/s/d^h</i>	96
2.7	Conclusions and final remarks	99
3	THE BALTIC DEVELOPMENT	105
3.0	Baltic languages	105
3.1	On the reconstruction of the trajectories of the Baltic developments	105
3.2	The Lithuanian development	106
3.2.1	The development of the clusters of <i>labial plosive</i> + <i>t/d^h/s</i>	107
3.2.2	The development of the clusters of (<i>labio</i>) <i>velar plosive</i> + <i>t/d^h/s</i>	108
3.2.3	The development of the clusters of <i>palatovelar plosive</i> + <i>t/d^h/s</i>	111
3.2.4	The development of the clusters of <i>dental plosive</i> + <i>t/d^h/s</i>	113
3.2.5	The development of the clusters of <i>sibilant</i> + <i>t/d^h/s</i>	115
3.2.6	Overview of the Lithuanian productive alternations	116
3.3	The Latvian development	117
3.3.1	The development of the clusters of <i>obstruent</i> + <i>t/s</i>	117
3.3.2	Overview of the Latvian alternations	120
3.4	The Prussian development	121
3.4.1	The development of the clusters of <i>obstruent</i> + <i>t/s</i>	121
3.4.2	Overview of the Prussian clusters	124
3.5	Trajectories of the Baltic developments	124
3.5.1	The development of the peripheral series	125
3.5.2	The development of the central series I: the palatovelar series	125
3.5.3	The development of the central series II: the dental series	126

3.5.4	The development of the sibilants	128
3.5.5	An excursion on the <i>ruki</i> -rule in Baltic	128
3.6	Conclusive remarks to the Baltic development	131
4	THE SLAVIC DEVELOPMENT	133
4.0	Slavic languages	133
4.1	Common Slavic and Old Church Slavonic	133
4.2	Common Slavic and Indo-European	133
4.3	Slavic clusters and their IE origins	134
4.3.1	The development of the clusters of <i>labial plosive</i> + <i>t/s</i>	135
4.3.2	The development of the clusters of (<i>labio</i>) <i>velar plosive</i> + <i>t/s</i>	137
4.3.3	The development of the clusters of <i>palatovelar plosive</i> + <i>t/s</i>	139
4.3.4	The development of the clusters of <i>dental plosive</i> + <i>t/s</i>	140
4.3.5	The development of the clusters of <i>sibilant</i> + <i>t/s</i>	142
4.3.6	Overview of Old Church Slavonic development	143
4.4	Trajectories of Slavic development	143
4.4.1	The strategies of the development of peripheral series	144
4.4.1.1	The strategy of simplification	144
4.4.1.2	The strategy of gemination	145
4.4.1.3	The strategy of spirantization	147
4.4.2	The development of the central series I: the palatovelar series	149
4.4.3	The development of the central series II: the dental series	150
4.4.4	The development of the sibilant series	151
4.5	Concluding remarks	151
5	THE ARMENIAN DEVELOPMENT	153
5.0	The Armenian language	153
5.1	Armenian and Indo-European	153
5.2	Armenian clusters and their IE origins	154
5.2.1	The development of the cluster of <i>labial plosive</i> + <i>t/s</i>	155
5.2.2	The development of the cluster <i>velar plosive</i> + <i>t/s</i>	156
5.2.3	The development of the cluster <i>labiovelar plosive</i> + <i>t/s</i>	156
5.2.4	The development of the cluster <i>palatovelar plosive</i> + <i>t/s</i>	157
5.2.5	The development of the cluster <i>dental plosive</i> + <i>t/s</i>	158
5.2.6	The development of the cluster <i>sibilant</i> + <i>t/s</i>	159
5.2.7	The overview of the Armenian development	160
5.3	Trajectories of the Armenian development	160
5.3.1	Development of the clusters of <i>labial plosive</i> + <i>t/s</i>	160
5.3.2	Development of the clusters of <i>velar plosive</i> + <i>t/s</i>	161

5.3.3	Development of the clusters of <i>labiovelar plosive + t/s</i>	161
5.3.4	Development of the clusters of <i>palatovelar plosive + t/s</i>	161
5.3.5	Development of the clusters of <i>dental plosive + t/s</i>	162
5.3.6	Development of the clusters of <i>sibilant + t/s</i>	163
5.4	Conclusion and final remarks	164
6	THE ALBANIAN DEVELOPMENT	167
6.0	The Albanian language	167
6.1	Albanian and Indo-European	167
6.2	Albanian clusters and their IE origins	168
6.2.1	The clusters <i>labial plosive + t/s</i>	168
6.2.2	The clusters <i>plain velar and labiovelar plosive + t/s</i>	169
6.2.3	The clusters <i>palatovelar plosive + t/s</i>	170
6.2.4	The clusters <i>dental plosive + t/s</i>	171
6.2.5	The clusters <i>sibilant + t/s</i>	172
6.2.6	The overview of the Albanian development	173
6.3	Trajectories of the development	173
6.3.1	The development of the IE clusters of <i>labial plosive + t/s</i>	174
6.3.2	The development of the IE clusters of <i>velar plosive + t/s</i>	175
6.3.3	The development of the IE clusters of <i>labiovelar plosive + t/s</i>	175
6.3.4	The development of the IE clusters of <i>palatovelar plosive + t/s</i>	175
6.3.5	The development of the IE clusters of <i>dental plosive + t/s</i>	176
6.3.6	The development of the IE clusters of <i>sibilant + t/s</i>	178
6.4	Conclusion and final remarks	178
7	THE GREEK DEVELOPMENT	181
7.0	The Greek language	181
7.1	Greek and Indo-European	181
7.2	Classical Greek clusters and their IE origins	182
7.2.1	The clusters of <i>labial plosive + t/d^h/s</i>	182
7.2.2	The clusters of <i>velar plosive + t/d^h/s</i>	184
7.2.3	The clusters of <i>palatovelar plosive + t/d^h/s</i>	186
7.2.4	The clusters of <i>labiovelar plosive + t/d^h/s</i>	188
7.2.5	The clusters of <i>dental plosive + t/d^h/s</i>	190
7.2.6	The clusters of <i>sibilant + t/d^h/s</i>	192
7.2.7	Overview of the Classical Greek development	193
7.3	The Mycenaean clusters and their development	193
7.3.1	The clusters of <i>labial plosive + t/d^h/s</i> in Mycenaean	193
7.3.2	The clusters of <i>velar plosive + t/d^h/s</i> in Mycenaean	194

7.3.3	The clusters of <i>palatovelar plosive</i> + <i>t/d^h/s</i> in Mycenaean	194
7.3.4	The clusters of <i>labiovelar plosive</i> + <i>t/d^h/s</i> in Mycenaean	195
7.3.5	The clusters of <i>dental plosive</i> + <i>t/d^h/s</i> in Mycenaean	196
7.3.6	The clusters <i>sibilant</i> + <i>t/d^h/s</i> in Mycenaean	196
7.3.7	The overview of the Mycenaean development	197
7.4	Trajectories of the Greek development	197
7.4.1	Development of the clusters of <i>labial plosive</i> + <i>t/d^h/s</i>	198
7.4.2	Development of the clusters of (<i>palato</i>) <i>velar plosive</i> + <i>t/d^h/s</i>	198
7.4.3	Development of the clusters of <i>labiovelar plosive</i> + <i>t/d^h/s</i>	198
7.4.4	Development of the clusters of <i>dental plosive</i> + <i>t/d^h/s</i>	199
7.4.5	Development of the clusters of <i>sibilant</i> + <i>t/d^h/s</i>	200
7.5	Conclusion	200
8	THE ITALIC DEVELOPMENT	201
8.0	The Italic languages	201
8.1	Latin	201
8.1.1	Latin and Indo-European	201
8.1.2	Latin clusters and their IE origins	202
8.1.2.1	The clusters of <i>labial plosive</i> + <i>t/s</i>	203
8.1.2.2	The clusters of <i>velar plosive</i> + <i>t/s</i>	204
8.1.2.3	The clusters of <i>palatovelar plosive</i> + <i>t/s</i>	205
8.1.2.4	The clusters <i>labiovelar plosive</i> + <i>t/s</i>	206
8.1.2.5	The clusters of <i>dental plosive</i> + <i>t/s</i>	208
8.1.2.6	The clusters of <i>sibilant</i> + <i>t/s</i>	209
8.1.2.7	Overview of Latin development	210
8.2	The Sabellic languages	211
8.2.1	Sabellic and Indo-European	211
8.2.2	Sabellic clusters and their IE origins	212
8.2.2.1	The clusters <i>labial plosive</i> + <i>t/s</i>	212
8.2.2.2	The clusters <i>velar plosive</i> + <i>t/s</i>	213
8.2.2.3	The clusters of <i>palatovelar plosive</i> + <i>t/s</i>	213
8.2.2.4	The clusters of <i>labiovelar plosive</i> + <i>t/s</i>	214
8.2.2.5	The clusters of <i>dental plosive</i> + <i>t/s</i>	215
8.2.2.6	The clusters of <i>sibilant</i> + <i>t/s</i>	218
8.2.2.7	Overview of Sabellic development	217
8.3	Trajectories of the Italic development	217
8.3.1	Development of the clusters of <i>labial plosive</i> + <i>t/s</i>	218
8.3.2	Development of the clusters of <i>velar plosive</i> + <i>t/s</i>	218
8.3.3	Development of the clusters of <i>palatovelar plosive</i> + <i>t/s</i>	219

8.3.4	Development of the clusters of <i>labiovelar plosive + t/s</i>	219
8.3.5	Development of the clusters of <i>dental plosive + t/s</i>	220
8.3.6	Development of the clusters of <i>sibilant + t/s</i>	222
8.4	Conclusion and final remarks	222
9	THE CELTIC DEVELOPMENT	225
9.0	Celtic languages and their branches	225
9.1	Celtic and Indo-European	225
9.2	Brythonic clusters and their IE origins	226
9.2.1	The clusters of <i>labial plosive + t/s</i>	226
9.2.2	The clusters of <i>velar plosive + t/s</i>	227
9.2.3	The clusters of <i>palatovelar plosive + t/s</i>	227
9.2.4	The clusters of <i>labiovelar plosive + t/s</i>	229
9.2.5	The clusters of <i>dental plosive + t/s</i>	229
9.2.6	The clusters of <i>sibilant + t/s</i>	230
9.2.7	Overview of Brythonic developments	231
9.3	Goidelic clusters and their IE origins	231
9.3.1	The clusters of <i>labial plosive + t/s</i>	231
9.3.2	The clusters of <i>velar plosive + t/s</i>	232
9.3.3	The clusters of <i>palatovelar plosive + t/s</i>	232
9.3.4	The clusters of <i>labiovelar plosive + t/s</i>	233
9.3.5	The clusters of <i>dental plosive + t/s</i>	234
9.3.6	The clusters of <i>sibilant + t/s</i>	234
9.3.7	Overview of the Goidelic developments	235
9.4	The continental Celtic clusters and their IE origins	235
9.4.1	The clusters of <i>labial plosive + t/s</i>	235
9.4.2	The clusters of <i>velar plosive + t/s</i>	236
9.4.3	The clusters <i>palatovelar plosive + t/s</i>	236
9.4.4	The clusters of <i>labiovelar plosive + t/s</i>	237
9.4.5	The clusters of <i>dental plosive + t/s</i>	237
9.4.6	The clusters of <i>sibilant + t/s</i>	238
9.4.7	Overview of the Continental Celtic developments	238
9.5	Trajectories of the Celtic developments	239
9.5.1	Development of the clusters of <i>labial plosive + t/s</i>	239
9.5.2	Development of the clusters of <i>(palato)velar plosive + t/s</i>	240
9.5.3	Development of the clusters of <i>labiovelar plosive + t/s</i>	240
9.5.4	Development of the clusters of <i>dental plosive + t/s</i>	242
9.5.5	The development of the clusters of <i>sibilant + t/s</i>	242
9.6	Conclusion and final remarks	244

10 THE GERMANIC DEVELOPMENT	245
10.0 Germanic languages and their branches	245
10.1 Germanic and Indo-European	245
10.2 Germanic clusters and their IE origins	246
10.2.1 Clusters of <i>plain velar plosive</i> + <i>t/s</i> in Germanic	246
10.2.2 Clusters of <i>palatovelar plosive</i> + <i>t/s</i> in Germanic	247
10.2.3 Clusters of <i>labiovelar plosive</i> + <i>t/s</i> in Germanic	247
10.2.4 Clusters of <i>dental plosive</i> + <i>t/s</i> in Germanic	248
10.2.5 Clusters of <i>labial plosive</i> + <i>t/s</i> in Germanic	249
10.2.6 Clusters of <i>sibilant</i> + <i>t/s</i> in Germanic	249
10.2.7 Overview of Germanic developments	250
10.3 Trajectories of the Germanic developments	250
10.3.1 The development of the clusters of <i>labial plosive</i> + <i>t/s</i>	251
10.3.2 Development of the clusters of <i>plain velar</i> and <i>palatovelar plosive</i> + <i>t/s</i>	251
10.3.3 Development of the clusters of <i>labiovelar plosive</i> + <i>t/s</i>	251
10.3.4 Development of the clusters of <i>dental plosive</i> + <i>t/s</i>	252
10.3.5 Development of the clusters of <i>sibilant</i> + <i>t/s</i>	253
10.4 Conclusion and final remarks	253
11 THE ANATOLIAN DEVELOPMENT	255
11.0 Anatolian languages	255
11.1 Anatolian and Indo-European	255
11.2 Hittite clusters and their IE origins	256
11.2.1 The clusters of <i>labial plosive</i> + <i>t/s</i>	256
11.2.2 The clusters of <i>plain velar plosive</i> + <i>t/s</i>	257
11.2.3 The clusters of <i>palatovelar plosive</i> + <i>t/s</i>	258
11.2.3 The clusters of <i>labiovelar plosive</i> + <i>t/s</i>	258
11.2.4 The clusters of <i>dental plosive</i> + <i>t/s</i> s	259
11.2.6 The clusters of <i>sibilant</i> + <i>t/s</i>	260
11.2.7 Overview of Hittite developments	261
11.3 Trajectories of the Hittite development	261
11.3.1 Development of the clusters of <i>labial plosive</i> + <i>t/s</i>	261
11.3.2 Development of the clusters of <i>plain velar</i> and <i>palatovelar plosive</i> + <i>t/s</i>	261
11.3.3 Development of the clusters of <i>labiovelar plosive</i> + <i>t/s</i>	262
11.3.4 Development of the clusters of <i>dental plosive</i> + <i>t/s</i>	262
11.3.5 Development of the clusters of <i>sibilant</i> + <i>t/s</i>	263
11.4 Conclusion and final remarks	263

12 THE TOCHARIAN DEVELOPMENT	264
12.0 The tocharian languages	264
12.1 Tocharian and Indo-European	264
12.2 Tocharian clusters and their IE origins	265
12.2.1 The clusters of <i>labial plosive + t/s</i>	265
12.2.2 The clusters of <i>velar plosive + t/s</i>	266
12.2.3 The clusters of <i>palatovelar plosive + t/s</i>	267
12.2.4 The clusters of <i>labiovelar plosive + t/s</i>	267
12.2.5 The clusters of <i>dental plosive + t/s</i>	269
12.2.6 The clusters of <i>sibilant + t/s</i>	270
12.2.7 The overview of the Tocharian development	270
12.3 Trajectories of the Tocharian developments	271
12.3.1 Development of the clusters of <i>labial plosive + t/s</i>	271
12.3.2 Development of the clusters of <i>(palato)velar plosive + t/s</i>	271
12.3.3 Development of the clusters of <i>labiovelar plosive + t/s</i>	272
12.3.4 Development of the clusters of <i>dental plosive + t/s</i>	272
12.3.5 Development of the clusters of <i>sibilant + t/s</i>	273
12.4 Conclusion and final remarks	273
13 THE IE TWO-OBSTRUENT CLUSTERS: SUMMARY AND CONCLUSIONS	275
13.1 The development of the central series	275
13.1.1 The development of the central series I: the dental series	276
13.1.2 The development of the central series II: the palatovelar series	280
13.2 The development of the peripheral series	282
13.2.1 The development of the peripheral series I: the plain velar series	283
13.2.2 The development of the peripheral series II: the labiovelar series	285
13.2.3 The development of the peripheral series III: the labial series	286
13.3 The development of the sibilant clusters	288
APPENDIX I:	291
Comparative table of IE clusters of plosive + <i>t/s</i> - in the given Indo-European languages	291
APPENDIX II:	293
The panchronic overview of the examined developments	293
