Preface.....1

PART 1

How we got here... 7

Chapter 1: Are boomers to blame?8

Frankly, yes.

Chapter 2: What went wrong?.....30

We were led astray and abandoned our youthful ideals.

Chapter 3: Can boomers avert catastrophe?48

Yes, if enough of us act now.

PART 2

...and what we can do about it. 63

Chapter 4: Every little bit helps, right?64

Six personal actions that matter.

Chapter 5: How can I work with others?98

Use national organizations to find local connections.

Chapter 6: What's faith got to do with it?128

Faith-based advocacy works. Find a path that works for you.

Chapter 7: Should I get arrested?154

The whys and hows of civil disobedience and non-violent direct action.

Chapter 8: Who you callin' radical?176

Why climate needs a bigger radical flank and how you can help.

Chapter 9: Just do it!.....202

Your road map to becoming a climate boomer.

Endnotes.....219
