

Obsah

program workshopu	1
ČERNÁ, K., KOUKOL, O., MOUREK, J., JANKOVSKÝ, Z. : The effect of oribatid mites on the sporulation of <i>Sympodiella acicola</i> and <i>Fusicladium pini</i> species	3
DOVIČIČOVÁ, M., TANČINOVÁ, D., LABUDA, R., PIOVARČIOVÁ, Z., FELŠÖCIOVÁ, S.: A study of species of <i>Eurotium herbariorum</i> group isolated from wheat of Slovak origin	4
FELŠÖCIOVÁ, S., LABUDA, R., TANČINOVÁ, D., PIOVARČIOVÁ, Z., DOVIČIČOVÁ, M. – The occurrence of <i>Penicillium</i> spp. on wheat grains harvested in Slovakia during the season 2007.....	13
HEJNÁ, M., KOLAŘÍK, M., MARKOVÁ, J.: Molecular analysis of grass rust fungi having aecia on <i>Ranunculus</i> and <i>Ficaria</i>	24
HUJSLOVÁ, M., KOLAŘÍK, M., KUBÁTOVÁ, A., CHUDÍČKOVÁ, M.: Diversity of fungal communities in saline and acidic soils in National Natural Reserve Soos, Czech Republic.....	25
KOLÁŘOVÁ, Z.: Diversity and function of microscopic fungi in <i>Picea abies</i> litter.....	27
KOUKOL, O.: Microfungal diversity and interactions in needle-leaved litter.....	28
KUBÁTOVÁ, A.: News in the taxonomy of <i>Aspergillus</i> (minireview dealing with increasing species diversity).....	29
LANDA, Z., BOHATÁ, A., ŠIMKOVÁ, J.: Monitoring of entomopathogenic fungi associated with spruce bark beetle <i>Ips typographus</i> L. (Coleoptera, Scolytidae) at National Park and Protected Landscape Area Šumava.....	39
NOVÁKOVÁ, A.: Phytophagous mites – a danger for mycological laboratories.....	40
NOVÁKOVÁ, A.: Microscopic fungi in indoor air in reconstructed and unreconstructed houses in České Budějovice.....	45
NOVÁKOVÁ, A., LUPTÁČIK, P., KOVÁČ, Ľ., LUKEŠOVÁ, A., ŠUSTR, V.: Microscopic fungi as food of cave invertebrate animals – a laboratory food preference experiment.....	52
NOVÁKOVÁ, A.: Interesting records of microscopic fungi.....	58
NOVOTNÝ, D., KRÁTKÁ, J. – The characteristic of <i>Colletotrichum acutatum</i> strains isolated in the Czech Republic.....	63
PIOVARČIOVÁ, Z., TANČINOVÁ, D., DOVIČIČOVÁ, M., FELŠÖCIOVÁ, S.: Rare micromycetes genera on wheat grain of Slovak origin.....	69
PRÁŠIL, K.: Some results from the study of anamorph genus <i>Cladosporium</i> Link presented in journal Studies in Mycology vol. 58 (2007).....	77
PRÁŠIL, K., SUCHÁNKOVÁ, Z.: A study of saprophagous lignicolous ascomycetes diversity in NP Libický luh.....	78
PRENEROVÁ, E., ZEMEK, R., WEYDA, F. - The first records of entomopathogenic fungi <i>Beauveria bassiana</i> and <i>Isaria fumosorosea</i> (syn. <i>Paecilomyces fumosoroseus</i>) on the hibernating pupae of the horse chestnut leaf-miner <i>Cameraria ohridella</i> (Lepidoptera: Gracillariidae).....	79
SAVICKÁ, D., PAZLAROVÁ, J., RŮŽIČKOVÁ, H., DEMNEROVÁ, K. – Isolation and identification of yeasts from food samples.....	80
SEDLÁŘOVÁ, M., STOJASPAL, K., LEBEDA, A.: Biology, distribution and pathogenicity of <i>Plasmopara halstedii</i> in the Czech Republic.....	82
ŠIMONVIČOVÁ, A., PANGALLO, D., CHOVANOVÁ, K., DE LEO, F., URZI, C.: Microscopic fungi on St. Ladislav fresco in church of St. Catharine in Velká Lomnica village.....	87
TANČINOVÁ, D., DOVIČIČOVÁ, M., LABUDA, R., PIOVARČIOVÁ, Z., FELŠÖCIOVÁ, S.: Interesting findings of fungi from Slovak wheat.....	92
VOŽENÍLKOVÁ, B., KLIMEŠ, F., KOBES, M.: The influence of harvest to occurrence of fungi diseases on grasses in mountain meadows.....	98
VOŽENÍLKOVÁ, B., MOUDRÝ, J., PETERKA, J., ČERMÁK, B.: The occurrence of <i>Fusarium</i> fungi in dependence on cultivar.....	101
seznam účastníků.....	105
