1.3	Digital Content in a Social World	11
1.4	Organization of Book	11
	Reference	14
2	Incentives for Digital Content Contribution	15
2.1	Monetary Incentives for Digital Content Contribution	16
2.2	Non-monetary Incentives for Digital Content Contribution	23
	References	36
3	Motives for Digital Content Consumption	41
3.1	Pay-What-You-Want Pricing	42
3.2	Social Aspects of Digital Content Consumption	52
3.3	Motives for Digital Content Consumption for a Social Aspect	54
	References	55
4	Digital Content Contribution and Consumption in Live Streaming	61
4.1	Live Streaming Industry	62
4.2	Stakeholders in Live Streaming	64
4.3	Related Literature	66
4.4	Data Description	68
4.5	Empirical Results	71
4.6	Summary	82
	References	83

Part II Social Influence in Digital Content Contribution

5	Social Incentives and Digital Content Contribution	87
5.1	Introduction	87
5.2	Theoretical Background	88
5.3	Hypotheses Development	89
5.4	Empirical Background and Data	91
5.5	Analysis and Results	95
5.6	Summary	108
	References	111
6	Dynamics of Digital Content Contribution, Monetary Incentive, and Social Interaction	115
6.1	Introduction	115
6.2	Theoretical Background and Hypotheses	117
6.3	Empirical Background and Data	118
6.4	Analysis and Results	120
6.5	Summary	128
	References	131

Part III Social Influence in Digital Content Consumption

7	Social Interaction and Digital Content Consumption	135
7.1	Introduction	135
7.2	Theoretical Background	136
7.3	Hypotheses Development	138
7.4	Empirical Background and Data	139
7.5	Analysis and Results	140
7.6	Summary	148
	References	149
8	Dynamics of Digital Content Consumption and Social Norm	151
8.1	Introduction	151
8.2	Literature Review	153
8.3	Empirical Background and Data	156
8.4	Data Patterns and Potential Explanations	158
8.5	Analysis and Results	164
8.6	Summary	172
	References	179

Part IV Discussion and Conclusion

9	Conclusion Summary	185
9.1	Theoretical Discussion	185
9.2	Empirical Conclusion	186
9.3	Practical Implications	188
	References	189

10	Future Research Agenda	191
10.1	Recommendations for Research in Digital Content Contribution	191
10.2	Recommendations for Research in Digital Content Consumption	192
10.3	Recommendations for Research in Live Streaming	193
	Reference	196
