I. MYOFASCIAL PATHWAYS - DIAGNOSIS OF DISORDERS AND TREATMENT WITH NON – INVASIVE ACUPUNCTURE TECHNIQUES.....	7
Summary.....	9
Introduction.....	9
1.Description and representation of the course of myofascial pathways.....	11
2.Diagnosis of myofascial pathways disorders.....	17
3.Treatment of myofascial pathways disorders.....	23
Conclusion.....	24
References.....	24
II. XI , MO, SHU POINTS, FUNCTIONAL DISORDERS, REFLEX CHANGES IN VISCERAL PAIN.....	27
Abstract.....	28
Introduction.....	28
Method.....	32
Results.....	33
Examples of hypothermic findings, Head’s zones, Mo, Shu points.....	36
Discussion.....	39
Conclusion.....	40
References.....	40
III. TRANSCRANIAL STIMULATION WITH ACUPUNCTURE POINTS.....	43
Abstract.....	44
Introduction.....	44
Method.....	45
Functions of individual brain areas and associated acupuncture points.....	47
Method.....	53
Results.....	55
Discussion.....	56
Conclusion.....	57
References.....	57
IV. EXTRAORDINARY PATHWAYS IN THE TREATMENT OF CHRONIC SYNDROMES.....	60
Abstract.....	61
Introduction.....	62
Localization of cardial and associated points.....	62

Course of extraordinary pathways.....	63
The use of extraordinary pathways in algic syndromes.....	64
The use of extraordinary pathways for symptoms.....	65
Method.....	66
Results.....	68
Conclusion.....	71
References.....	71
