

Contents

6 Living on a Dynamic Earth

- 8 What Does Our Earth Look Like Inside?
- 10 From Continental Drift to Plate Tectonics
- 12 Plate Margins
- 14 The 2010 Haiti Earthquake
- 16 The 2004 Indian Ocean Tsunami
- 18 Volcanoes – A Curse or a Blessing?
- 20 The Rock Cycle
- 22 Soil – The Basis of Life
- 24 The Water Cycle
- 26 Living on a River
- 28 Flooding – Living with a River

30 Living in Different Climate and Vegetation Zones

- 32 Hot Places – Cold Places
- 34 The Tropical Zone
- 36 Tropical Rainforest – A Day with Ecology-TV
- 38 Shifting Cultivation in the Rainforest
- 40 Agribusiness in the Rainforests of the Amazon Basin

- 42 Agroforestry in the Rainforests of Africa
- 44 Savannas in Africa
- 46 Agriculture in the Savannas
- 48 The Sahel – A Fragile Zone
- 50 Deserts – The Many Faces of the Sahara
- 52 Oases – Water Means Life
- 54 The Subtropical Zone – Irrigated Farming in Spain
- 56 The Temperate Zone – Diverse Landscapes
- 58 The Temperate Zone – Granary of the World
- 60 The Subpolar Zone in Siberia
- 62 The Polar Zone – An Extreme Zone
- 64 The Inuit – Living in a Freezer?
- 66 Researchers in the Antarctic
- 68 Climate and Vegetation Zones of the World

72 Living and Working in Africa

- 74 Getting to Know Africa
- 76 Many Peoples, Many Cultures
- 78 Cairo – A City Running Out of Space
- 80 Marrakesh – A City with Two Faces
- 82 Oil – Nigeria’s Lifeline?
- 84 Kenya – National Parks and Tourism
- 86 South Africa – The Changing Country
- 88 Migration from Africa to Europe

90 Living and Working in Asia

- 92 Asia – A Continent of Superlatives
- 94 Turkey – A Country of Contrasts
- 96 Tensions between Neighbours – Israel and Palestine
- 98 Israel – Limited Water Resources
- 100 Change in the Persian Gulf Region
- 102 Abu Dhabi – Building the Future
- 104 The Monsoon – Hope and Despair in India
- 106 Tradition and Progress in Rural India
- 108 India's IT Boom
- 110 China – Population and Birth Control
- 112 China – Life in the Village and Life in the City
- 114 China – A New Economic Superpower
- 116 The Three Gorges Dam – A Big Step Forward?
- 118 China – Ecological Problems
- 120 Japan – A Country in Need of More Space
- 122 The Japanese Car Industry
- 124 Japan – Living with Natural Disasters

126 Living and Working in Russia

- 128 Two Russias
- 130 Russia's Wealth of Energy
- 132 Russia's Taiga in Danger
- 134 Changes in Russia
- 136 Moscow – The Capital of Russia

138 Living and Working in Northern America

- 140 Contrasting Nature – Relief
- 142 Contrasting Nature – Climate and Vegetation
- 144 Extreme Weather Conditions
- 146 The US Population – A Multicultural Society?
- 148 The US-American City
- 150 USA – Farming
- 152 Manufacturing Belt or Rust Belt?
- 154 The Sun Belt – Combining Jobs with Pleasure
- 156 Oil Sands in Alberta
- 158 Montreal – The City Under Ground

160 Living and Working in Latin America

- 162 Cultural Heritage
- 164 Land Use in the Andes Mountains
- 166 Banana – A Cash Crop from Costa Rica
- 168 Mining in Peru – Blessing or Curse?
- 170 São Paulo – City of Contrasts
- 172 Mexico City – Environmental Problems
- 174 Living on the Mexican-US Border

176 Living and Working in Australia

- 178 Australia's Uniqueness
- 180 The Australian Population
- 182 Mineral and Energy Resources
- 184 Tourism in Australia

186 Geo Skills

- 186 How to Work with the Textbook and the Atlas
- 188 How to Find and Locate Places
- 190 How to Work with Physical Maps
- 192 How to Work with Thematic Maps
- 194 How to Work with Photographs
- 196 How to Work with Aerial Photographs
- 198 How to Work with Tables
- 200 How to Work with Line Graphs
- 202 How to Work with Bar Charts
- 204 How to Work with Climate Graphs
- 206 How to Work with Pie Charts
- 208 How to Work with Flow Charts
- 210 How to Work with Texts
- 212 How to Give a Talk or Presentation

214 Appendix

- 214 Tasks – Knowing What to Do
- 215 Words (Index)
- 230 Glossary
- 240 Sources

Thematic Index

Natural Forces

- › pp. 008-028: 'Dynamic Earth'
- › pp. 104-105: Monsoon in India
- › pp. 124-125: Natural Disasters in Japan
- › pp. 144-145: Extreme Weather in Northern America

Living in Different Zones

- › pp. 032-071: 'Living in Different Zones'
- › pp. 164-165: Land Use in the Andes Mountains

Opening up of Places / Environmental Problems

- › pp. 038-043: Opening up Rainforests
- › pp. 046-047: Opening up Savannas
- › pp. 048-049: Opening up Dry Regions
- › pp. 058-059: Opening up the Temperate Zone
- › pp. 082-083: Ecological Problems in Nigeria
- › pp. 098-099: Water Resources in Israel
- › pp. 116-117: Three Gorges Dam in China
- › pp. 118-119: Ecological Problems in China
- › pp. 120-121: Land Reclamation in Japan
- › pp. 128-129: Opening up Siberia
- › pp. 132-133: Ecological Problems in Siberia
- › pp. 156-157: Opening up Alberta
- › pp. 168-169: Ecological Problems in Peru
- › pp. 172-173: Ecological Problems in Mexico City

Living in Villages and Cities

- › pp. 078-079: Cairo
- › pp. 080-081: Marrakesh
- › pp. 092-093: Turkey
- › pp. 106-107: Rural India
- › pp. 112-113: Villages and Cities in China
- › pp. 136-137: Moscow
- › pp. 148-149: US-American City
- › pp. 158-159: Montreal
- › pp. 170-171: São Paulo

Different Economies

- › pp. 082-083: Nigerian Economy
- › pp. 084-085: Tourist Industry in Kenya
- › pp. 086-087: South African Economy
- › pp. 100-103: Oil Industry in the Persian Gulf
- › pp. 108-109: IT-Industry in India
- › pp. 114-115: Chinese Economy
- › pp. 122-123: Car Industry in Japan
- › pp. 130-131: Oil and Gas Industry in Russia
- › pp. 150-154: US Economy
- › pp. 166-167: Banana Industry in Costa Rica
- › pp. 168-169: Mining Industry in Peru
- › pp. 182-183: Mining Industry in Australia
- › pp. 184-185: Tourist Industry in Australia

Population and Migration

- › pp. 076-077: Peoples of Africa
- › pp. 088-089: Migration from Africa to Europe
- › pp. 096-097: Tensions between Israel and Palestine
- › pp. 110-113: Population and Migration in China
- › pp. 134-135: Social Disparities in Russia
- › pp. 146-147: US Population
- › pp. 162-163: Latin America
- › pp. 174-175: Migration on the Mexican-US Border
- › pp. 180-181: Australian Population
