Preface vii

Acknowledgments ix

PART I BASIC PRINCIPLES AND CONCEPTS

1. Introduction 1 / Nature and Scope of the Text 1 / Organization of the Text 2 / How the Other Two-Thirds Live 3 / Critical Questions in Development Economics 5 / Limitations of Standard Economic Theory 5

2. The Meaning and Measurement of Economic Development 8 / Scope of the Chapter 8 / Growth and Development 8 / Classification of Countries 11 / Distortions in Comparing Developed and Developing Countries' GNP 22 / Comparison Resistant Services 23 / The Kravis Purchasing-Power Adjustment 24 / A Better Measure of Economic Development? 25 / Problems with Alternative Measures 27 / Weighted Indices for GNP Growth 27 / "Basic-Needs" Attainment 30 / Liberation versus Development 32 / Small Is Beautiful 33 / Are Economic Growth and Development Worthwhile? 34 / Summary 36

3. Economic Growth and Development: Some Basic Facts 39 / Scope of the Chapter 39 / Beginnings of Sustained Economic Growth 39 / The West and Afro-Asia: The Nineteenth Century and Today 40 / Capitalism and Modern Western Economic Development 40 / Economic Modernization in the Non-Western World 43 / Growth in the Last Century 46 / Economic Growth in Europe and Japan after World War II 47 / Recent Economic Growth in Developing Countries 48 / Summary 58

4. Profile of Developing Countries 62 / Scope of the Chapter 62 / Varying Income Inequality 62 / Political Framework 62 / An Extended Family 63 / Peasant Agricultural Societies 64 / A High Proportion of the Labor Force in Agriculture 64 / A High Proportion of Output in Agriculture 64 / Inadequate Technology and Capital 67 / Low Saving

Rates 67 / A Dual Economy 69 / Varying Dependence on International Trade 69 / A High Proportion of Primary Product Exports 71 / Rapid Population Growth 71 / Low Literacy and School Enrollment Rates 72 / An Unskilled Labor Force 73 / Summary 73

5. Theories of Economic Development 76 / Scope of the Chapter 76 / The Classical Theory of Economic Stagnation 77 / Marx's Historical Materialism 79 / Rostow's Stages of Economic Growth 80 / Vicious Circle Theory 83 / Balanced versus Unbalanced Growth 85 / Baran's Neo-Marxist Thesis 89 / Dependency Theory 91 / Summary 95

6. Poverty and Income Inequality 99 / Scope of the Chapter 99 / Global Absolute Poverty 100 / Global Distribution of Income 102 / Early and Late Stages of Development 104 / Low-, Middle-, and High-Income Countries 105 / Slow and Fast Growers 111 / Socialist and Nonsocialist Countries 111 / Regions of the World 115 / Oil Importers and Exporters 116 / Identifying Poverty Groups 116 / Women, Poverty, and Male Dominance 117 / Case Studies of Countries 119 / Policies to Reduce Poverty and Income Inequality 122 / Inequality and Political Instability 126 / Summary 127

7. Rural Poverty and Agricultural Transformation 131 / Scope of the Chapter 131 / Trends in Rural Poverty in Developing Countries 132 / Major Rural Groups in Poverty 132 / Rural and Agricultural Development 133 / Rural-Urban Income Differentials in Nineteenth-Century Europe and Present-Day LDCs 134 / Agricultural Productivity in DCs and LDCs 134 / Small-Scale LDC Agriculture 134 / Growth of Average Food Production in DCs and LDCs 137 / Food in India and China 141 / Factors Contributing to Low Income and Poverty in Rural Areas 143 / Policies to Increase Rural Income and Reduce Poverty 148 / Summary 159

PART II FACTORS OF GROWTH

8. Natural Resources, Land, and Climate 163 / The Production Function 163 / Scope of the Chapter 164 / Importance of Natural Resources 165 / The Concepts of Land, Natural Resources, and Capital 165 / Arid and Semiarid Lands 166 / Tropical Climates 166 / Energy 168 / Dutch Disease 171 / Limits to Growth 172 / Living on a Lifeboat 176 / Summary 177

9. Population and Development 181 / Scope of the Chapter 181 / World Population throughout History 182 / Population Growth in Developed and Developing Countries 183 / World Population by Region 183 / The Demographic Transition 186 / Is Population Growth

an Obstacle to Economic Development? 195 / Strategies for Reducing Fertility 203 / Summary 209

10. Employment, Migration, and Urbanization 213 / Scope of the Chapter 214 / Dimensions of Unemployment and Underemployment 214 Underutilized Labor 214 / Labor Force Growth, Urbanization, and Industrial Expansion 215 / Disguised Unemployment 217 / Rural-Urban Migration 220 / Western Approaches to Unemployment 225 / Causes of Unemployment in Developing Countries 226 / Policies for Reducing Unemployment 229 / Summary 234

11. Human Resource Development 238 / Scope of the Chapter 238 / Education and Training 239 / Socialization and Motivation 249 / Health and Physical Condition 251 / Summary 252

12. Capital Formation, Investment Choice, and Technical Progress 255 / Scope of the Chapter 256 / Capital Formation and Technical Progress as Sources of Growth 256 / Components of the Residual 259 / Learning by Doing 259 / Growth as a Process of Increase in Inputs 260 / The Cost of Technical Knowledge 261 / Research, Invention, Development, and Innovation 262 / Investment Criteria 263 / Differences between Social and Private Benefit-Cost Calculations 269 / Shadow Prices 272 / Soviet Priority on Investment in the Capital Goods Industry 274 / Summary 276 / Appendix to Chapter 12 279

13. Entrepreneurship, Organization, and Innovation 282 / Scope of the Chapter 283 / Entrepreneur as Innovator 284 / Entrepreneur as Gap-filler 285 / Functions of the Entrepreneur 286 / Family as Entrepreneur 287 / Multiple Entrepreneurial Function 288 / Achievement Motivation and Entrepreneurship 288 / Theory of Technological Creativity 289 / Occupational Background 290 / Religious and Ethnic Origin 291 / Social Origins and Mobility 293 / Education 295 / Gender 296 / Technological Mobilization in Socialist Economies 296 / Summary 298

PART III DOMESTIC RESOURCE POLICIES

14. Mobilizing Domestic Resources 301 / Scope of the Chapter 302 / Capital Requirements 302 / How to Increase the Rate of Capital Formation 305 / Summary 315 / Appendix to Chapter 14 317

15. Monetary and Fiscal Policy, Growth, and Inflation 319 / Scope of the Chapter 319 / Limitations of Monetary Policy 320 / Tax Ratios and GNP per Capita 321 / Goals of Tax Policy 324 / Political Constraints to Tax Policy 332 / Expenditure Policy 332 / Inflation 333 / Financial

Repression and Liberalization	341	/	Islamic Banking	343	/
Summary	344				

PART IV THE INTERNATIONAL ECONOMICS OF DEVELOPMENT

16. Balance of Payments, Aid, and Foreign Investment	347	/	Demand for a New International Economic Order	347	/
North-South Interdependence	348	/	Capital Inflows	349	/
Two Gaps	351	/	Stages in the Balance of Payments	352	/
Sources of Financing the Deficit	352	/	Summary	372	

17. The External Debt Crisis	375	/	Scope of the Chapter	375	/
The Crisis from the U.S. Banking Perspective	375	/	The Crisis from the LDC Perspective	376	/
Debt Indicators	376	/	Major LDC Debtors	377	
Origins of the Debt Crisis	379	/	Capital Flight	381	/
World Bank and IMF Lending	382	/	Resolving the Debt Crisis	384	/
Distributional Effects	386	/	Summary	387	

18. International Trade	390	/	Scope of the Chapter	390	/
Arguments for and against Tariffs	390	/	Import Substitution and Export Expansion in Industry	400	/
DC Import Policies	403	/	Expanding Primary Export Earnings	404	/
Foreign Exchange Rates	407	/	Regional Integration in the South	411	/
Progress in Meeting the Demand for a New International Economic Order (NIEO)	413	/	Summary	415	

PART V DEVELOPMENT STRATEGIES

19. Development Planning	418	/	State Planning as Ideology for New States	419	/
Afro-Asian Socialism	420	/	<i>Dirigiste</i> Debate	420	/
Scope of the Chapter	421	/	Soviet Planning	421	/
Indian Planning	422	/	The Market versus Detailed Centralized Planning	424	/
Indicative Plans	427	/	Planning Goals and Instruments	428	/
The Duration of Plans	428	/	Planning Models and Their Limitations	429	/
Economic Data	431	/	Private Sector Targets and Policies	435	/
Public Expenditures	436	/	Summary	437	

20. Public Enterprises: Socialization, Privatization, or Status Quo?	440	/
Public Goods	440	/
Importance of the Government Sector	441	/
Definition of State-Owned Enterprises	441	/
Size of the State-Owned Sector	442	/
Arguments for Public Enterprises	442	/
Performance of Private and Public Enterprises	443	/
Determinants of Public-Enterprise Performance	446	/
Privatization	448	/
Public Enterprises and Multinational Corporations	448	/
China's State Industrial Enterprises	448	/
Summary	451
